Four 125 lb, Purple K fire extinguisher's $50.00 ea. + $200 shipping + $500 ea. hydro and refill

= Total investment $2,400

$350 initial + $500 to clean generator + $1,000 to refurbish + $600 for Hobart to test and certify. Total cost $2,750.00

Scissors Lift $500
Required 2 new batteries

6 Passenger Golf Cart $300
Needed 6 new batteries

DNR 2008 Utility Truck $4,000

Purchased F150 2-wheel drive for $300

Sold it 2 yrs later for $3,200

Bought from State Excess 2013 4X4 F-150 for $3,700

F150 was totaled & insurance paid $10,000

USDA wanted Reimbursement of $11,000 for 2016 4X4 F-250 - They settled for $10,000

$800

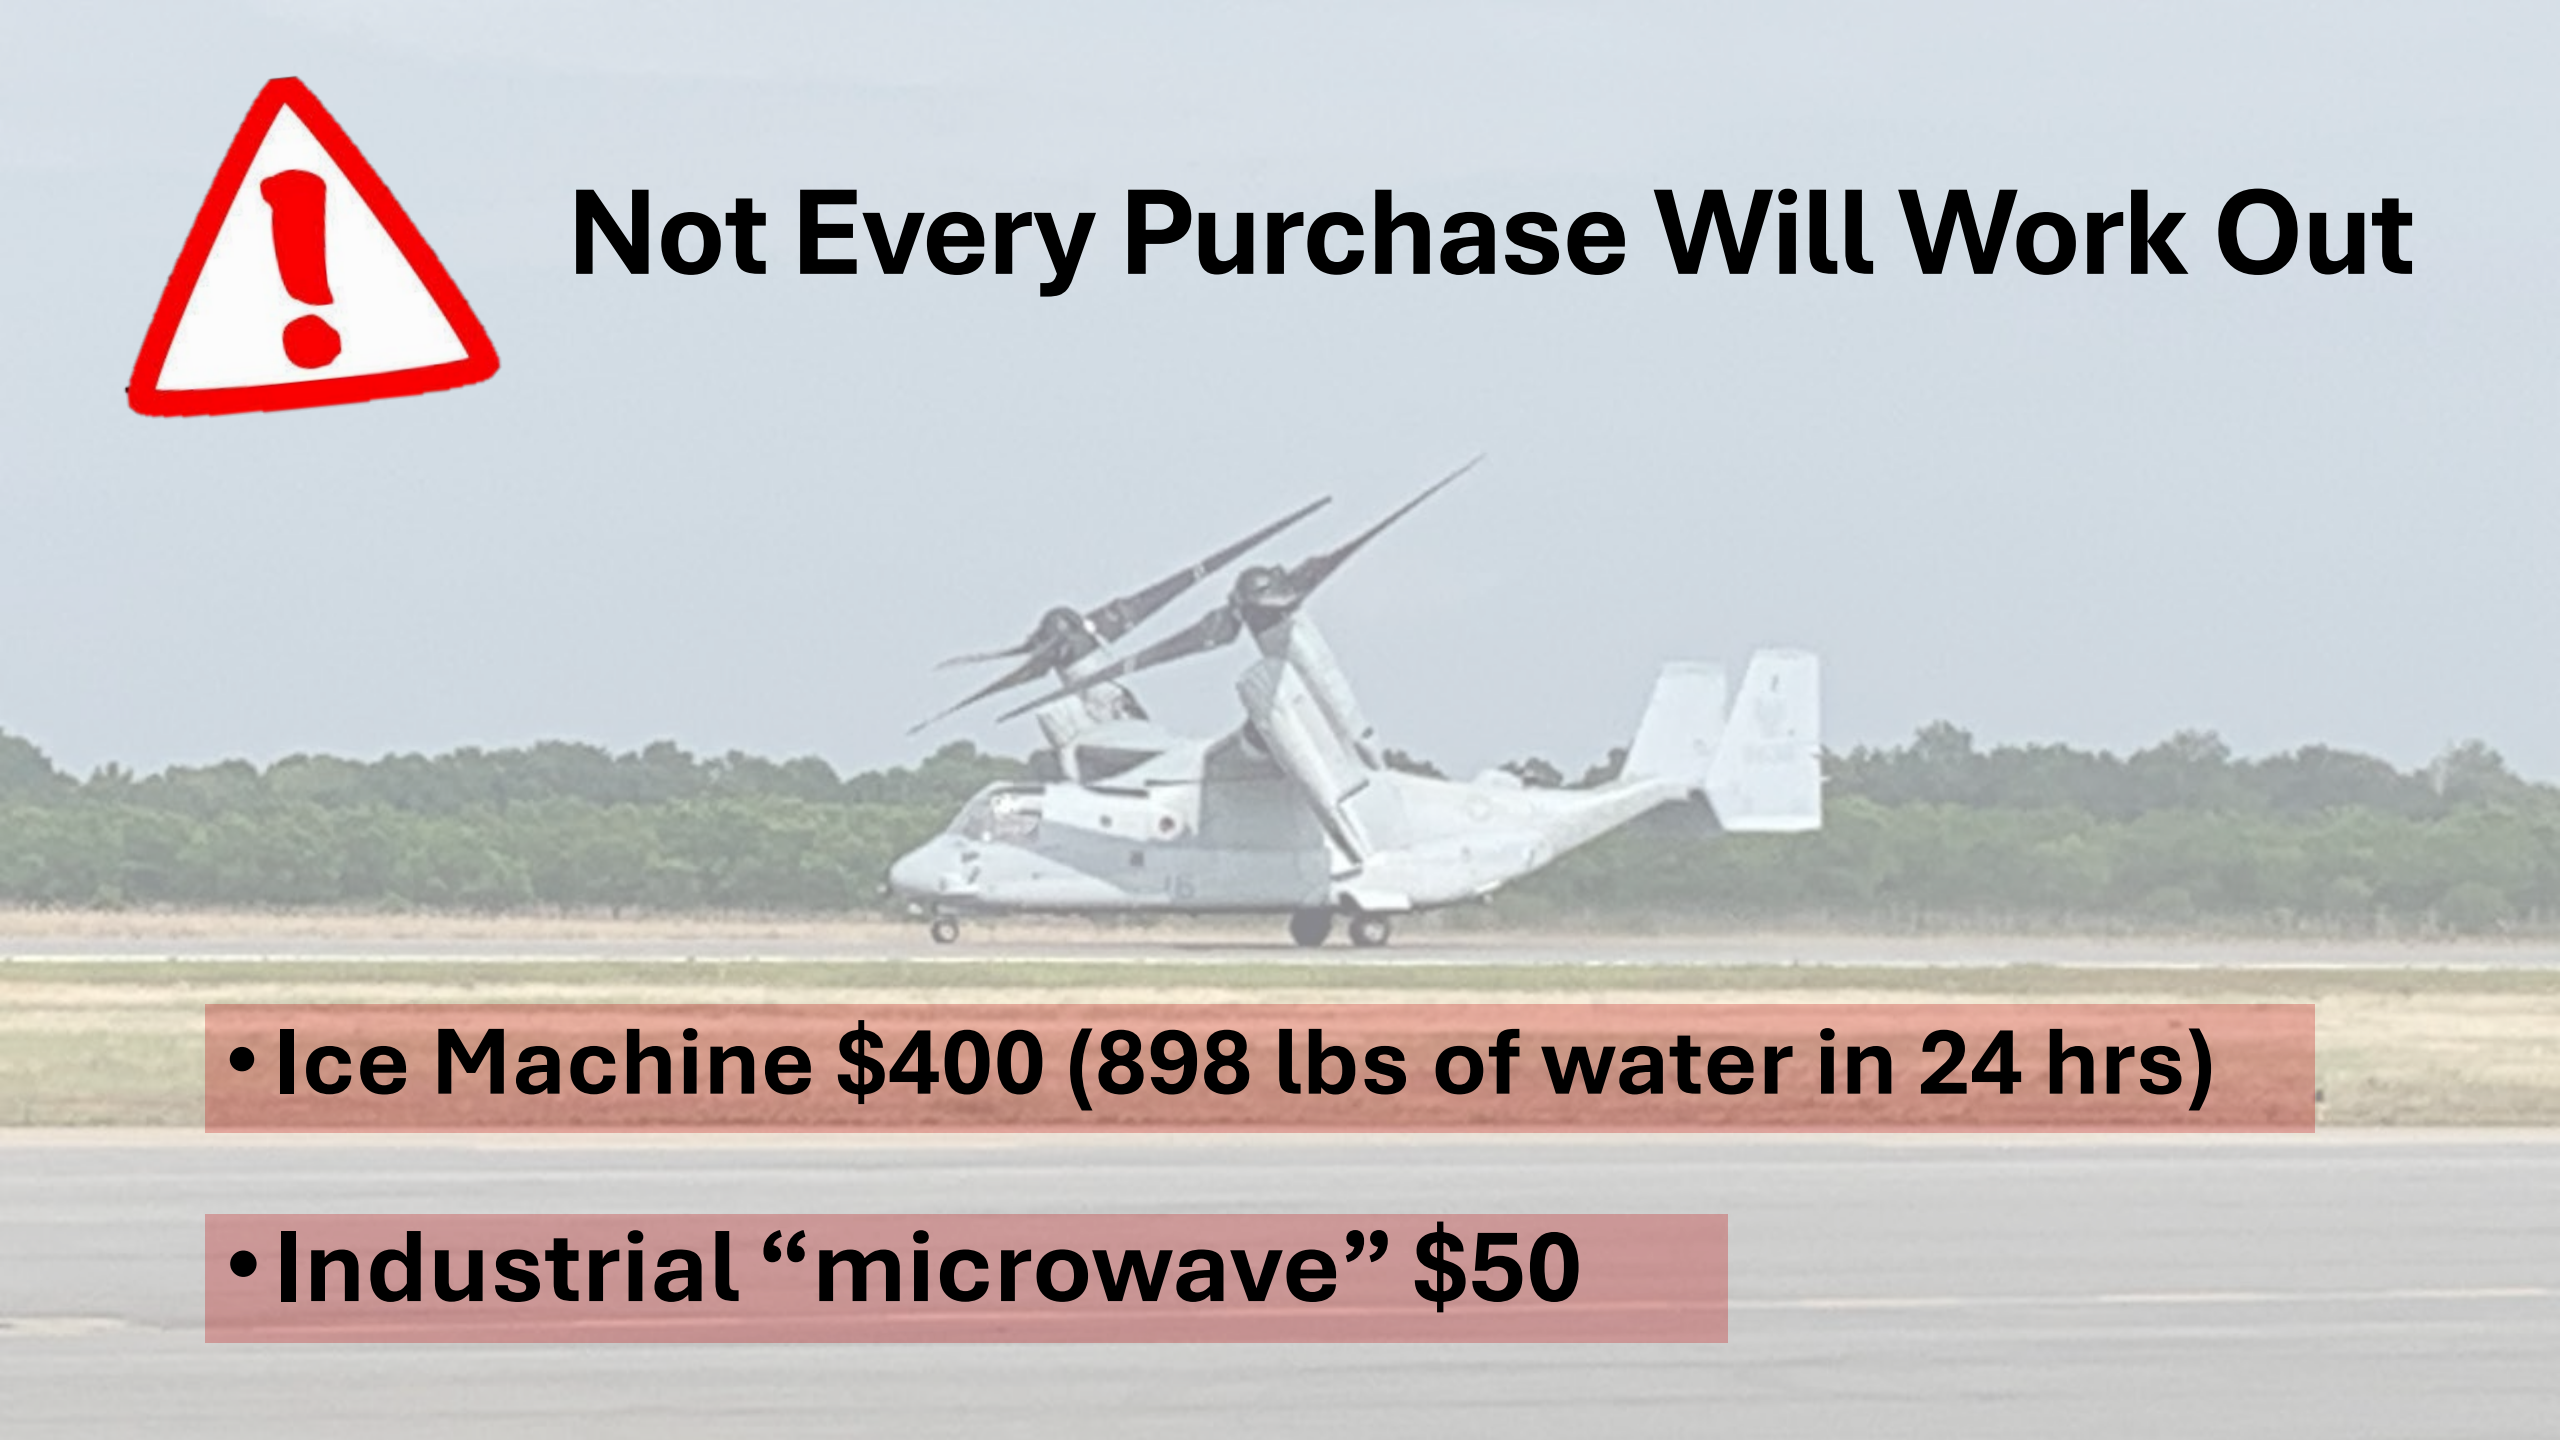
Additional Items Received

- 200 Banquet chairs
- 2 Power strips
- Lockable lockers for storage
- 2010 & 2011 Ford Focus crew cars ($2,515 & $2,594)
- Back up computer batteries
- 5Kw Backup Generator for fuel farm in case of outages

Do Your Homework

- Make a site visit if possible
- Talk with the custodian or the donating unit
- Ask for more pictures or hour meters reading
- Make sure you know where the item is located
- Don’t be afraid to negotiate with DOAS
- Include a Letter of Need

Not Every Purchase Will Work Out



- Ice Machine $400 (898 lbs of water in 24 hrs)
- Industrial “microwave” $50

Federal Excess Categories

- NEW or UNUSED – never been used may still be in the box
- USEABLE – was operational when last used
- REPAIRABLE – has some issues that will need to be repaired
- SALVAGE – would cost too much to repair, good for parts only
- SCRAP

Who's Eligible

- Public Agencies
  - Requires W-9 Tax Form
  - Complete copy of minutes, resolution or legislation from city council or county board.

- Organizations may be eligible for federal state or both programs
- Organization purpose determines what property may be acquired

IT MUST MATCH YOUR NEEDS

- All property is "AS IS – WHERE IS" - Service charges apply
- NO returns or refunds
- Property MUST be used in the official program for which you applied
- Property may NOT be sold, loaned, traded or cannibalized during applicable restriction period (usually 1 year)
