

Affiliate Value Statement

Affiliates are vital to the Seacoast Board of Realtors, offering networking, education, and service opportunities to realtors. They provide crucial support for successful transactions and enhance the SBR's local impact through fundraising and marketing efforts.

Our affiliate members work hard to provide value to our realtor membership through the following efforts:

Fundraising/Community Involvement

Each year, SBR selects a local charity for support. Affiliates organize and sponsor events, such as the annual Golf Tournament, raising substantial funds for these causes. By backing these charities, affiliates enhance SBR's local influence, reinforcing industry reputation and fostering community trust in realtors.

Along with supporting the local charity of choice, affiliates also play a helpful role in fundraising for the annual Lori Breard-Weeden Scholarships for high school seniors and organizing the annual Food Drive.

Education

SBR offers continuing education courses and Learn at Lunch seminars for its realtor members, sponsored and oftentimes instructed by affiliates. These courses are free to members and include breakfast or lunch provided by affiliates.

Events

Numerous SBR events, including the annual Golf Tournament, Gala, Thomas Leighton Cruise, and Scavenger Hunt, are organized, sponsored, and hosted by affiliates. These events are great for supporting the Charity of Choice, mingling with industry peers and having a good time, all while giving your social media presence a boost.

Networking

Pop-Ups

We encourage our realtor membership to utilize the services of affiliates, who support SBR's mission!

Affiliate Value Statement

SBR's affiliates work hard every day to support YOU! By offering networking, education, and volunteer opportunities to realtors, our affiliates raise the standard of service and better the reputation of our industry in our local communities. They provide crucial support for successful transactions and enhance the SBR's local impact through fundraising and marketing efforts.
