

William J. Smith, CPA

Mr. Smith possesses more than 25 years' experience in both public and private accounting and financial management.

In his current position as the Chief Financial Officer for the City of Bryan and Bryan Texas Utilities, he manages all aspects of accounting, budgeting, and financial reporting for thirty departments and enterprise funds. Will also guides financial forecasting and long-range planning for budgeting, and debt management for the City and BTU.

Prior to his tenure with the City of Bryan, Will oversaw financial reporting and accounting for various financial institutions and banks.

Will is a graduate of Texas A&M University, Suma cum Laude, with a BBA in Accounting from Mays Business School. He is a Certified Public Accountant and affiliated with several industry organizations at the state and national level.
