RE/MAX EDGE has demonstrated resilience in 2020. Kim DeGrande, owner of Re/Max Edge has developed a successful real estate agency that has helped so many families relocate to this wonderful town.

The brokerage team supports new development by keeping people informed and continuously demonstrates engagement with people of the community. They attend Douglas County meetings to represent the residents so their voices are heard. They work with Water and Sanitation Districts so homeowners can become educated on the importance of water while promoting access to public water and sanitation. They work closely with the various Metro Districts to ensure the community has path of continued growth. Lastly, they do an incredible job securing outdoor space to celebrate recreational and holiday festivities for everyone to enjoy (Christmas, Easter, 4th of July, Music Festivals, etc.).

This team deserves recognition for their relentless hard work and commitment to this community. As a result of their love for Roxborough, they have made this town a better place to live, work, and invest.
