“I wholeheartedly recommend Megan and the McCleary Group. Megan assisted us with the sale of our Hinsdale home and was a consummate and trusted professional throughout the process. I interviewed a number of well known agents before Megan and ultimately asked Megan to assist us with the sale because of her clear professionalism and commitment to giving every client her equal attention and service. I never once questioned that decision. At every phase in the process Megan and Tom were readily available to answer my questions and I was especially impressed by their proactive marketing strategy. Communication was a breeze and I trusted the McCleary Group was always representing our best interests. Megan is undoubtedly a step above the competition.”

From the CHAIRMAN

Greetings,

Thank you for supporting the Hinsdale business community and the Hinsdale Chamber of Commerce. Hinsdale is a community that is built on its businesses. Our economy thrives thanks to the tireless efforts of the owners of businesses — whether small or large — and their employees. With your determination, we are able to build a vibrant and prosperous community for our residents, merchants, business partners and visitors to enjoy for years to come.

J. FORD SUNDERLAND
 Chairman of the Board
 Hinsdale Chamber
 of Commerce

Founded on May 27th, 1924, the Hinsdale Chamber of Commerce has been in operation for over 90 years by representing the voice of businesses in Hinsdale and has created a legacy in serving the entire community.

The 48th edition of the Hinsdale Community Guide is presented to you through the Hinsdale Chamber of Commerce. Keep this publication handy, as it is a useful directory of information, including services and opportunities in our village.

The Hinsdale Chamber hosts several events throughout the year. In the summer, we have our Farmers Market (June–Oct), Fine Arts Festival (International Artist Exhibits), and Sidewalk Sale. Our most popular summertime event, Uniquely Thursdays, is held every Thursday evening from June to August, featuring live entertain-

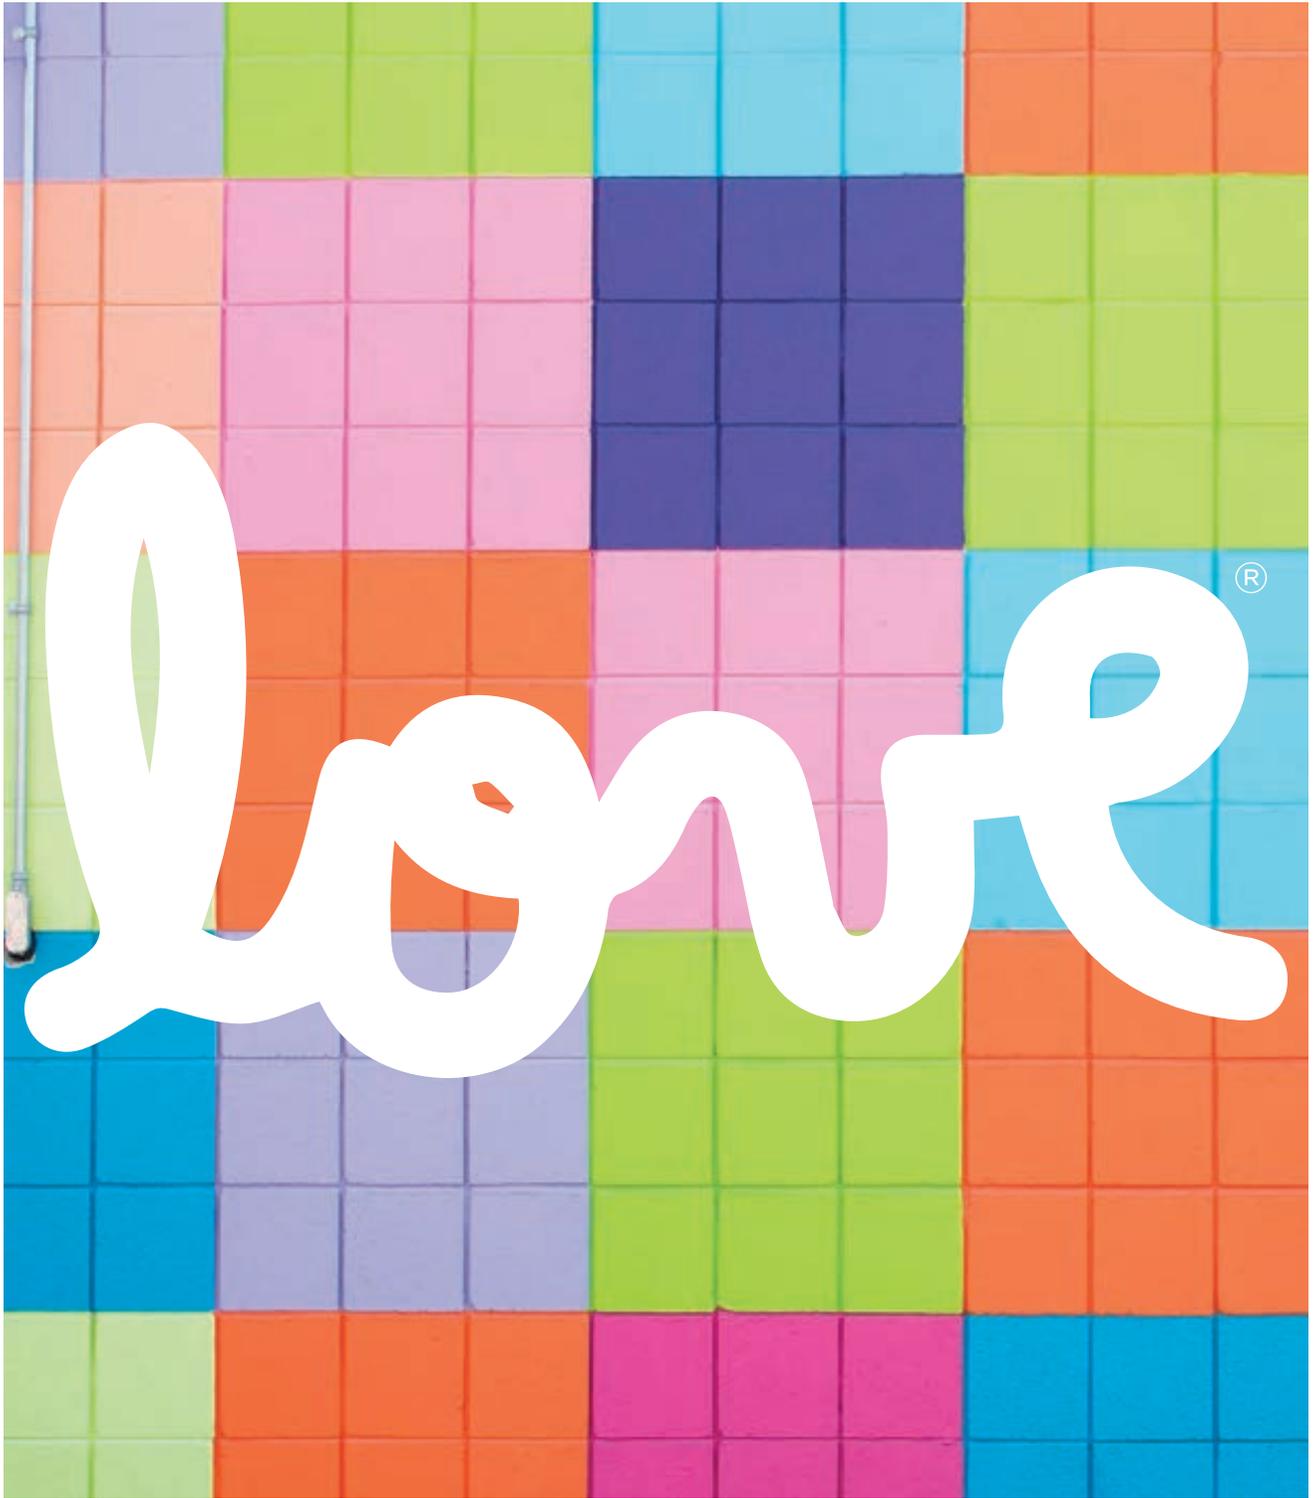

ment, food, drink and local merchant participation. In October we have the Fall Festival as well as our newest event, the Wine Walk. To wrap up the year, we have the ever-popular Christmas Walk in December.

All community members, visitors and shoppers are invited to visit the Chamber website (www.hinsdalechamber.com) to sign up to receive weekly discounts, coupons and certificates from area Chamber businesses via email (called Hot Deals).

The Chamber also works in partnership with the Hinsdale Economic Development Commission to maintain, develop and promote the entire Hinsdale business community. The fresh-cut greenery that decorates the village during the holiday season and the American flags displayed throughout village streets on Memorial Day, Independence Day and Labor Day are provided by the Hinsdale Chamber of Commerce and the village of Hinsdale, which serves our community in other innumerable ways. We also work closely with the village and local businesses to promote Small Business Saturday (Saturday after Thanksgiving). Please remember to shop and dine local. Our accomplishments are made possible through the cooperation and support of our local businesses, commercial and professional people, village and community working together.

“

I truly enjoy working in Hinsdale at the Chamber of Commerce! For the past 18 years I have had the opportunity to build great relationships and get to know the businesses, the village and of course the Hinsdale community! I love how dedicated the businesses and residents are to their community through their support of the many events that take place from the weekly concerts in the park to notable major charity events. Hinsdale ... a great place to live and work!”

MISSION STATEMENT

CONNECTING BUSINESS THROUGH COMMUNITY LEADERSHIP • OPPORTUNITY • INVOLVEMENT

The Hinsdale Chamber of Commerce is an organization owned and operated by its members. It is where businesses come together to address issues that individual members cannot accomplish alone. The organization promotes its members, refers business to them, builds meaningful partnerships and provides a variety of resources in order to enhance their businesses. The Hinsdale Chamber works on improving the local climate in which to conduct business for the benefit of all. It serves as the "front door" for the Hinsdale community, welcoming visitors in the name of its members. It publishes this directory with a complete listing of members and places it in every household in Hinsdale and beyond.

CHAMBER BENEFITS & VALUES

Welcome service

The Hinsdale Chamber of Commerce sponsors a Welcome Service Program for new residents who move into the Hinsdale area. A chamber representative making home visits delivers a package containing a community directory, a map and literature from chamber members participating in the Welcome Service Program.

Chamber website

The Hinsdale Chamber of Commerce offers a website that will enhance the promotion of

chamber members, their businesses and the community overall.

The Hinsdale Community Directory

This directory is distributed to all the households in Hinsdale annually. The directory contains phone numbers to local businesses, community information and service organizations, maps, municipal information, and much more.

Advertising opportunities

Opportunity to advertise through social media, electronic, and traditional print mediums.

Chamber liaison

Village government relationship assisting in business practices.

Ribbon cuttings

Available upon request for new businesses celebrating grand openings.

Cooperative marketing and advertising

The chamber routinely offers cooperative rates in all areas of media and print marketing.

Member-to-member values

As a chamber member, you have the opportunity to receive discounts as well as offer them through the chamber website.

MEMBER NETWORKING

Participation opportunities

As a member of the Hinsdale Chamber of

Commerce, you are eligible to participate as a volunteer for any of our special events, serve as a committee member or be elected to serve on the chamber board of directors for a three-year term.

Business referrals

Drive incremental business by becoming a preferred supplier.

Business after hours events

Monthly networking and social events for members interested in promoting their businesses.

Quarterly business meetings

An all-chamber member business meeting is conducted on a quarterly basis and includes information valuable to your business and the Hinsdale community.

Multi-chamber events

The Hinsdale chamber participates in several networking, educational, and promotional events co-hosted by surrounding area chambers.

H.E.R.O.S. Leadership Group

Small business owners and representatives share leads, ideas, and best practices for business operational success in a bi-monthly small group format, with David Anderson of the John Maxwell Team.

“What better community to call home for Browning & Sons Jewelers for the last 35 years other than Hinsdale! We are very appreciative of the generations that continue to support us. They say “it takes a village” and this particular one is an example of community, loyalty and family. Our family looks forward to big new changes here in the coming year.”

PRESIDENT & TRUSTEES

The village of Hinsdale is governed by its village president and a board of trustees. The president and the board, comprised of six members, are elected officers. Each of these serves without payment. Their terms are for four years. Also, their terms are staggered so that an important continuity is maintained.

The village officers are President Thomas Cauley Jr. and Trustees Scott Banke, Neale Byrnes, Michelle Fisher, Laurel Haarlow, Matt Posthuma and Luke Stifflear. Members of the board comprise three basic working committees:

Administration and Community Affairs:

Matt Posthuma (chair), Scott Banke, Neale Byrnes, Luke Stifflear

Environment and Public Services Committee: Neale Byrnes (chair), Scott Banke, Michelle Fisher, Laurel Haarlow

Zoning and Public Safety Committee: Luke Stifflear (chair), Michelle Fisher, Laurel Haarlow, Matt Posthuma

BOARD COMMITTEES

Hinsdale village trustees sit on one or more of three committees, each of which consists of four trustees. The village president selects one trustee to serve as chairperson. These committees meet on an ad-hoc basis.

Administration and Community Affairs Committee

This committee reviews matters concerning finances, administrative items, and park and recreation activities, and coordinates the annual budget review.

Environment and Public Services Committee

This committee deals with issues and projects pertaining to public works, building and code enforcement, building maintenance as well as coordinate most capital projects and review public improvement projects.

Zoning and Public Safety Committee

This committee generally handles any issues that relate to zoning, police, and fire department operations, and parking concerns. The committee reviews plan commission recommendations and forwards them to the full village board.

From time to time, the village president appoints (with the consent of the village board) volunteers to serve the community on various boards and commissions. Should any resident have an interest in serving, please contact the village clerk at 630-789-7011 or clerk@villageofhinsdale.org.

VILLAGE STAFF

The board employs a village manager, who supervises some 115 village employees in their performance of village services.

“ Just 20 miles from Chicago, Hinsdale’s historic downtown and its other shops and restaurants make Hinsdale the gem of the Western Suburbs. Hinsdale has lost none of its vibrancy during the pandemic and continues to prosper. Hopefully, the worst of the pandemic is now behind us, and residents and others will take greater advantage of all that our little town has to offer. With the new parking deck, parking is never a problem in downtown Hinsdale!”

Some Testimonials from Illinois 2021 Buyers:

“Laurel is amazing!! I can’t recommend her more strongly. I met her through a friend who was also looking in Naples. Laurel is professional, punctual, and ALWAYS available. She works so hard to find the perfect fit. Not only is she diligent, she is fun to be with and always positive. I found a fabulous house for my family and Laurel handled EVERY detail. She is amazing and I wouldn’t hesitate recommending her to anyone!”

“Top notch in every respect. Laurel was always 5 moves ahead of the process and that gave us confidence to make quick decisions but with sound judgment. We purchased our Naples Home – sight unseen- since we live in Illinois. Her knowledge of everything we needed to know was a priceless asset. I highly recommend Laurel to anybody who needs a professional, understanding, and cordial Real Estate professional.”

“Laurel came to us as a referral and after working with her I can see why she comes so highly recommended. She is knowledgeable, has valuable experience and most importantly her response time is faster than we have ever seen. In this market having your finger on the pulse is critical. For example, if we liked a property she would call us within minutes and out the door for a pre showing. Her response time, being readily available and her communication skills is what got us our home. Laurel not only got us to a quick close but she continued to help us after and went above and beyond what realtors do. We plan on giving her lots of referrals because we know she will get the job done every single time. We think she is amazing!”

Board of Fire and Police Commissioners

The three-member board is responsible for hiring, promoting, and disciplining police officers and firefighters.

Economic Development Commission

The seven-member commission recommends plans and actions to expand the village’s tax base and increase the village’s sales tax revenues.

Firefighters’ Pension Fund Board

The five-member board has control of the management of all funds belonging to or designated by law as part of the firefighters’ pension fund.

Foreign Fire Insurance Board

The four-member board manages and administers the money in the Foreign Fire Insurance Fund. Pursuant to state law, the fund receives its monies from a state tax imposed on fire insurance policies written by insurance companies domiciled outside of the state of Illinois.

Historic Preservation Commission

The seven-member commission works

to assist the village board in the preservation, protection, enhancement, rehabilitation, reconstruction, or use of historic structures, sites, or areas in the village, and to educate the residents regarding the importance of historic preservation.

Parks and Recreation Commission

The seven-member commission advises the village board on matters relating to plans and programs for village parks; reviews the acquisition, maintenance and development of parks; and reviews the budget for all park activities.

Plan Commission

The nine-member commission reviews all applications for planned unit developments, zoning code amendments, special use permits, and lot subdivisions; and forwards recommendations to the village board. The commission also reviews the exterior appearance and site plan for all nonresidential development and renders decisions on all sign permit applications.

Who picks up the garbage?

The village has contracted with Republic Services for residential refuse collection. Residents have the option of either curbside or backdoor collection service. Primary collection days are Mondays for homes south of the railroad tracks and Thursdays for homes north of the railroad tracks.

Customers who have opted for 65 and/or 95-gallon collection service will be provided refuse and recycling totes by Republic Services. 35-gallon toter collection service requires homeowners to provide their own refuse toter(s). Recycling totes will still be provided.

Residents who wish to use their own 35-gallon container must have back door pick up. Homeowners age 65 and older are eligible for a senior discount. Any additional refuse or large items must be placed at the curb with a sticker on each item.

Stickers may be purchased at the village offices and the following locations:

KRAMER FOODS
16 Grant Square

SHELL FOOD MART
210 East Ogden Avenue

FULLER'S HOME & HARDWARE
35 E. First Street

MOBIL
Chicago and Washington

For additional refuse information, visit the village's website at villageofhinsdale.org/departments/public_services/garbage_waste_disposal.

Who picks up recycling?

Recyclables will be picked up on the primary pickup day. Items that are included in the village's curbside recycling program are computer paper, packing paper, white paper, glass bottles and jars, colored paper, aluminum cans, clean foil, tin cans and empty aerosol cans, - #1 PET bottles and containers - #2 HDPE bottles and containers - #3 PVC bottles - #4 LDPE bottles and containers - #5 PP plastic bottles and containers - #7 plastic narrow neck grocery containers, six- and 12-pack rings, newspaper, direct mail, magazines and catalogs, phone books, brown paper bags, cereal boxes, beverages cartons and corrugated cardboard.

What should I do with landscape waste?

All grass, leaves, shrubbery, vine trimmings and the like must be contained in 34-gallon biodegradable paper bags and placed on the curb for pickup on the primary collection day. One sticker must be placed on each 34-gallon biodegradable paper bag. Plastic bags or cans containing yard waste will be left uncollected even if there is a sticker on them. Solid waste and landscape waste may not be mixed. Landscape waste will be picked up between April 1 and Dec. 1 of each year.

Do I need a vehicle sticker? An animal license?

Yes. Vehicle stickers and animal licenses may be purchased at the village office, 19 E. Chicago Ave. Renewal applications are mailed each year.

Vehicle license stickers go on sale March 1. Vehicle stickers have an annual fee of \$48. Trucks under 8,000 lbs. are \$63 and trucks over 8,000 lbs. are \$108. Stickers must be displayed by May 1. Senior citizens pay \$24 with a valid drivers license and vehicle registration.

Stickers for motorcycles, motorbikes and mopeds are \$24.

A permanent bicycle license is available and may be obtained free at the police department. All bicycle riders are required to obey the same traffic regulations as

motorists. Warnings will be issued by the police department to all bicyclists not complying with traffic regulations and records of warnings given will be kept. Assignments may be made to special bicycle safety education classes and traffic tickets may be issued to habitual violators over age 16. Bicycle "Rules of the Road" may be obtained from the police department.

Licenses for neutered male and female dogs and cats are \$5, \$20 for unneutered male or female dogs and cats. Animal licenses are due April 30 each year. A valid rabies certificate is required prior to issuance of an animal license. Dogs (or cats) are neither allowed to run at large nor on a leash in village parks or public places except KLM Park during the days and times that are posted. Pet owners are required to remove their pet's excrement from public or private property.

Where can I park my car?

Parking ordinances are strictly enforced for the safety of motorists. Overnight parking on public streets, parking lots and the parking deck is not allowed from 2 to 6 a.m. All permit parking spaces are free on Saturday and Sundays.

Residents also should be aware of these regulations.

1. Parking is prohibited on public streets between 7 and 9 a.m., except for residents within their own block with village of Hinsdale vehicle license stickers displayed, babysitters and domestic help, emergency

vehicles, delivery trucks, public utility repair vehicles and contractors' vehicles. For further information, call the police department 630-789-7070.

2. Meter enforcement of on-street parking and village parking lots unless otherwise posted is from 9 a.m. to 5 p.m. Monday through Saturday and of parking lots from 6 a.m. to 6 p.m. Monday through Friday.

3. Many parking lots in the village are permit parking only. For information, contact the village offices at 630-789-7022.

What is the speed limit in town?

Traffic ordinances are strictly enforced for the safety of Hinsdale motorists. Speed limits are 25 mph on most streets except in the business district and school zones, where the limit is 20 mph or otherwise as posted.

When can I water my lawn?

Because the village of Hinsdale receives water from Lake Michigan, water conservation measures are required by the Illinois Department of Natural Resources, Office of Water Resources, to restrict outdoor water use and to encourage conservation. Lawn sprinkling restrictions go into effect on May 15 and remain in effect through Sept. 15. During this period, lawn sprinkling is allowed from 6 to 10 a.m. and 6 to 10 p.m. Even-numbered street addresses water on even number days. Odd-numbered street addresses water on odd number days. A temporary permit is available to water newly seeded or sodded grass. Contact the village at 630 789-7070 with questions. If necessary, these restrictions can be expanded by the village manager; residents will be notified of any changes.

What is included in my water bill?

A sewer use charge of 15 percent of the net water bill is made for all homes and businesses connected to the village sanitary sewer system. These funds are used to keep sanitary sewers in good working order through a program of cleaning, maintenance, and repair. Some homes in Hinsdale near 55th Street are served by sewers owned and maintained by the Flagg Creek Water Reclamation District (a separate government agency). The Flagg Creek Water Reclamation District also lev-

ies a sewer use charge that is billed to each home in Hinsdale served by the district. That sewer use charge is used to pay the cost of collection and treatment of sewer wastes. Call the Flagg Creek Water Reclamation District at 630-323-3299.

Who supplies water to the village?

Water is supplied to the Village of Hinsdale through the DuPage Water Commission, which purchases water from the City of Chicago. The village is one of 23 charter custom-

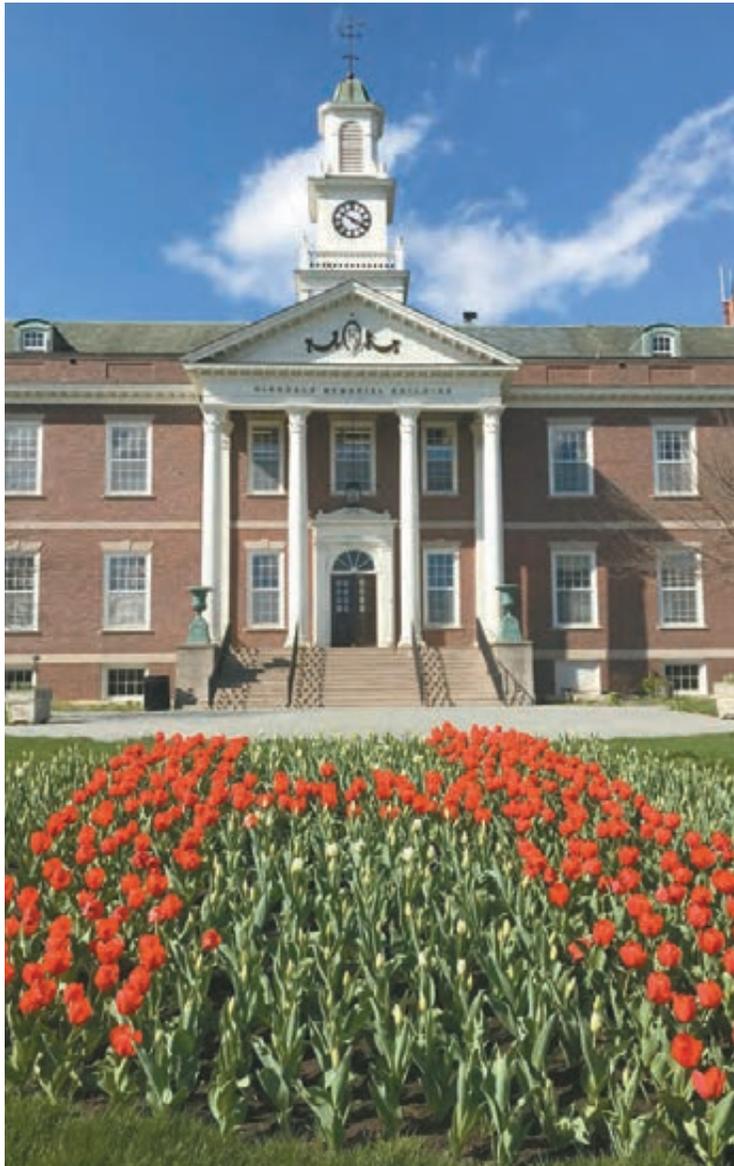

ers of the commission who receive their water from Lake Michigan. The central pumping and pressure adjusting facility for the village is located at 217 Symonds Drive. Water quality is monitored daily to ensure uniform quality and purity. The water is very low in sodium, total dissolved solids and a hardness of approximately eight grains. Contact the water billing department at 630-789-7020 for questions about water bills.

When do I need a building permit?

Building permits are required for building construction, alterations, repairs and demolition. Separate permits are required for electrical work, plumbing, driveways, water-Freon-cooled air-conditioning units, fences, decks and porches. Permit fees vary with the nature and scope of the work. Permits are issued by the building department at village hall. Detailed plans must accompany permit applications. Commercial construction requires approval of the Hinsdale Plan Commission and Hinsdale Village Board prior to issuance of permit. Commercial signs require plan commission approval and a permit. A separate permit for sewers is required from the Flagg Creek Water Reclamation District before a building permit is issued by the village.

What controls building in the village?

Hinsdale's zoning ordinance is strictly enforced. The zoning ordinance regulates land use, setbacks, side yards, rear yards, heights, intensity of use and off-street parking. Appeals for variations from the zoning ordinances may be filed with the Hinsdale Zoning Board of Appeals. For more information, call the building commissioner at 630-789-7036.

Can I burn leaves in my backyard? Can I have an outdoor fireplace?

Hinsdale's air pollution control ordinance prohibits all open burning, including backyard incineration in a container of any type or the burning leaves or any other materials on private or public property. Fires for the purpose of barbecuing or fires in indoor, private fireplaces are permitted provided the smoke coming from these fires does not exceed the limits of white or very light gray smoke as set forth in the ordinance.

Smokestack and chimney emissions from stores, institutions, apartment buildings and one or two-family residences are also regulated by the ordinance. To report a violation of the air pollution control ordinance, call the air pollution control officer at 630-789-7030.

What are the phone numbers for the police and fire departments?

Emergency 911

**Police Administration
630-789-7070**

**Fire Administration
630-789-7060**

Police services, in addition to crime prevention and enforcement of laws, also include youth services, home security inspections, home watch program, as well as a reassurance program, which is a daily phone call check of senior citizens, the handicapped and other persons, particularly those living alone.

Fire protection services are provided by a department that has efficient, up-to-date equipment including emergency paramedic ambulance service.

A continuing facet of the department's work is providing classes in cardiopulmonary resuscitation (CPR), which are open to the public, home inspections, and fire prevention information with safety recommendations, all of which can be arranged by calling 630-789-7060.

Who do I call about street repairs?

Potholes and routine repairs are made by the public service department. Major resurfacing work is done on streets previously constructed to village standards with state motor fuel tax funds allocated to the village. New street construction is done through a special assessment or special service area financing of property own-

ers whose property is benefited from the improvement.

Who maintains parkway trees?

Tree planting, trimming and removal on public grounds, including parkways, is done on a scheduled basis by the village tree crew.

Report diseased elm trees to the public services department for prompt inspection.

Homeowners are required to remove diseased elms on their property within 10 days after notice to protect against the spread of the disease to another tree. The village removes diseased elms from the parkway.

The village replacement trees have trunks 2 inches in diameter.

If a resident wishes to plant a larger tree on the parkway they should call the village at 630-789-7030 to discuss the species of tree and cost involved.

Where can I register to vote?

Cook and DuPage county residents may register to vote at the village clerk's office on the first floor of the east wing of the Memorial Building, 19 E. Chicago Ave., from 8 a.m. to 4:30 p.m. Tuesday through Friday. Call 630-789-7011 for more information. DuPage County residents also may register to vote at the Hinsdale Public Library, 20 E. Maple St., during normal business hours.

LIVING IN HINSDALE is something special. With its gorgeous homes, beautiful tree-lined streets, high-performing schools, well-maintained parks, established nonprofit agencies and vibrant business districts – including a central business district that is on the National Register of Historic Places – Hinsdale is a one-of-a-kind community. Need more convincing?

These dozen individuals share in their own words what they truly enjoy about living or working in Hinsdale.

Living in Hinsdale

“Hinsdale is a town where residents are bound together by family and friends.”

“Taking a leisurely stroll with my wife and our dog, Todd, to town for some caffeine at either Starbucks (love the staff) & Todd loves the puppacino or La Fortuna (my preferred home brew). A meal at Page’s with the family and my in-laws — enough said!”

— Paul Virant, and owner of Vistro Prime in Hinsdale, Vie in Western Springs and Gaijin in Chicago

“I’ve lived in Hinsdale 31 years, raising my family here. On my first visit, I fell in love with the beautiful tree-lined streets and the quaint downtown. What kept us here was the sense of communi-

ty – in the schools, at my church, in civic, volunteer and children’s activities. The train and proximity to Chicago were also big factors during working years. And it’s a great place for dog walking!”

— Laurie McMahon,
Hinsdale Humane Society Board member

“When you visit a great hotel, you know if it feels right in less than a minute. Hinsdale has been ‘feeling right’ to me for over two decades. Even to visitors, Hinsdale’s warm sense of community is palpable. It’s just an easy place to live.”

— Bryan Bomba of the Bryan Bomba Group at @properties and a 31-year Hinsdale resident

“One of the best things about living in Hinsdale is that there exists a deep sense of being in community with one another. I am continually amazed at the commitment residents demonstrate to support one another in times of need. And the numerous charity fundraisers that reach out to the most vulnerable are a witness to a very generous and giving spirit.”

— Jay Klein, pastor, Zion Lutheran Church

— Jay Klein, pastor, Zion Lutheran Church

“One of the best things about living in Hinsdale is that there exists a deep sense of being in community with one another.”

HISTORIC

“Hinsdale has been home to our family for the last 25 years. We initially moved here for the beautiful tree-lined streets, proximity to the city and, most importantly, the strong public school system. What we have found is that it’s really the wonderful friends, neighbors and overall community that

make Hinsdale so special. I couldn’t imagine raising our children anywhere else and feel lucky to call Hinsdale home.”

— Kim Anderson, Hinsdale Central Boosters Club president

“Hinsdale has been a great town to raise our family. There are so many beautiful parks and sports fields for baseball, football, pickleball and many activities. The community comes together in times of joy, celebrations, holidays, and in times of need. We’ve met the most loving, supportive, and caring friends and neighbors.”

— Cathy Coyne Hoffmann, active with Misericordia Women’s League and other nonprofit organizations

“What I enjoy most about living in Hinsdale are the friendships and opportunities that I’ve been able to gain. The community of people here is really great and I’ve been able to make some great friendships over

the years, whether it be in school or somewhere else. There are tons of ways to become involved in this community as well, such as community service and other activities, which I’ve enjoyed taking part in during my time here. ”

— Eliana Villone, junior at Hinsdale Central and member of The Community House Junior Board

“Twenty years ago, with our 1-year-old in tow, my wife and I decided to move from downtown Chicago to Hinsdale. It’s a move so many have done. We never looked back. Hinsdale is a town where residents are bound together by family and friends. Many times those friends are like family. Our residents work hard to keep the community safe. We take pride in sending great kids to school so our dedicated educators can take them to the next level. We’re blessed with wonderful nonprofits. On top of it all, our downtown shopping and food scene have taken off, and now with plenty of parking!”

- Tracy Leddy, vice president of mortgage lending at Guaranteed Rate

“ From the award-winning schools to the close-knit community, I knew I wanted to have my family here. ”

“As a transplant from Boston

I gravitated toward areas along the BNSF route and ultimately settled in Hinsdale for a variety of reasons. Overall town size, close proximity to downtown and airports were key aspects, but the general feeling of familiarity

among the residents and businesses hit home the most.”

— Todd Fisher, owner of St. James of London

“Hinsdale is still a village in so many ways! Living and working at our family store, Phillip's Flowers and Gifts, brings this small town/village feel for me. It's a short and safe commute! I also love seeing friends, jumping off the ladder to chat and catch up on their lives, as I do the merchandising in the windows. ”

— Martha Phillip of Phillip's Flowers and Gifts, a 32-year resident

“The police department is a reflection of the values of the community. An emphasis on professionalism and community responsiveness are guiding principles of the agency. The strong level of support

we experience from our residents and the many community-based organizations with which we collaborate make Hinsdale a special place. The men and woman of the Hinsdale Police Department are proud to serve the community. ”

— Police Chief Brian King

“I love Hinsdale so much that I ended up purchasing a home right down the block from where I grew up. There is no better place than Hinsdale to

raise children. From the award-winning schools to the close-knit community, I knew I wanted to have my family here. The local dining and shopping give residents so many great options without having to leave the neighborhood. This place is and will always be home.”

Hinsdale is fortunate to have a total of 132 acres of parkland for use. Our parks provide facilities for tennis, baseball, softball, basketball, football, soccer, swimming, picnicking, children’s activities and just plain sitting or walking in scenic, open spaces. The village is committed to maintaining each of its parks in good condition and to providing a high level of recreational services to the community.

The overall management direction, planning and support for this area of municipal services is provided through the village manager’s office and assigned to the superintendent of parks and recreation department. Please call 630-789-7090 if you have questions or suggestions concerning Hinsdale’s Parks & Recreation Department.

TENNIS

Hinsdale has a total of 16 courts at five locations, all of which are equipped with racquetting boards. The racquetting procedure is used to control court usage and play and is in effect all year. Call parks and rec at 630-789-7090.

General rules & regulations

1. Persons playing on the courts are not permitted to racquet for further court usage until they come off the court at the end of their hour.
2. Tennis players should be aware that there are times when courts are reserved for specific programs such as lessons.
3. Tennis shoes are required on court surface.
4. Players using profanity or unsportsmanlike conduct will be asked to leave courts.

PICKLEBALL

Hinsdale has a total of eight courts at two locations. Brook Park has six dedicated courts and Robbins Park has two

dual striped courts. Rules for pickleball play at Brook Park are available online at www.villageofhinsdale.org.

CANDOR HEALTH EDUCATION

15 Spinning Wheel Road, Suite 410
Hinsdale, IL 60521
630-325-1900
candorhealthed.org

Candor Health Education is focused on empowering young people to make informed decisions. Our mission is same as when we were operating as the Robert Crown Center for Health Education. We continue to partner with over 600

schools across 11 northern Illinois counties ensuring that young people receive accurate health and prevention information as they transition from elementary to middle school and high school. Last year, during the COVID pandemic, our 12 health educators taught nearly 60,000 fourth- through eighth-graders across 11 Illinois counties and provided most with virtual programming due to COVID safety precautions.

Our online programming was popular last year, so now we offer both in-person sessions in

students’ classrooms or we connect to students live via Zoom or Google Classroom or we can provide an online interactive program for asynchronous learning. All our drug and sex education programs include pre- and post-session lessons and interactive videos and activities to reinforce learning. We have embedded social-emotional learning topics into each health education class to help students improve their communication, decision-making, goal setting and learn healthy coping strategies to handle stress and anxiety. Audience feedback helps us improve the quality of our curriculum and ensure that we continue to meet the needs of the communities we serve.

Our goal is to help parents/guardians and young people have on-going conversations about staying healthy and safe. Our website (www.candorhealthed.org) and social media pages (Facebook, Instagram, Pinterest, Linked In) contain articles and tips geared to help community members stay informed on the latest adolescent health and parenting topics. We offer video overviews for each class and have online parent programs to support families and youth development. We have an annual appeal and host fundraising events that help us to fill the gap and supplement what schools and families pay to have high-quality teachers delivering these critical health education topics.

COMMUNITY MEMORIAL FOUNDATION

15 Spinning Wheel Road, Suite 326, Hinsdale
630-654-4729
cmfdn.org

Community Memorial Foundation is a private health conversion foundation established in 1995. The Foundation’s grantmaking and community work are guided by its mission — to measurably improve the health of those who live and work in the western suburbs of Chicago. Throughout 26 years of regional investment, CMF has proudly awarded more than \$81 million dollars to non-profit organizations serving the western suburbs of Cook County and southeastern portion of DuPage County.

Through its partnership with grantee organizations and community stakeholders, Community Memorial Foundation manages a grantmaking portfolio that includes a Regional Health and Human Services Agenda, Responsive Grants Program and Building Organizational Effectiveness Program.

Its integrated regional agenda identifies health and human service priorities for the Foundation’s service area and highlights corresponding indicators to track progress over a 10-year time

frame. The agenda, and the community programs funded in support of it, advance the triple aim of health care: to improve population health, improve the patient’s experience of care and reduce cost.

The Foundation’s Responsive Grants Program provides funding that empowers local nonprofit organizations to address issues that impact overall community wellness, including health care, health equity, food access, housing and public safety. CMF’s grantmaking is guided by its mission and its vision of transforming the region into the healthiest in the country.

Through the Building Organizational Effectiveness Initiative, Community Memorial Foundation provides grantee organizations with continuous learning opportunities to facilitate effective management, sound governance and increased organizational capacity. Offerings include organizational assessment, technical assistance grants and a Leadership Institute for nonprofit executives. The program has recently expanded to include YC2, a youth philanthropy program designed to educate and empower local high school students to become our community’s next generation of philanthropists.

GRAUE MILL

Located off York Road, one half mile north of Ogden Avenue, is the only operating water-wheel gristmill in the greater Chicago area.

Fred Graue built the mill in 1852 to serve the surrounding countryside of Brush Hill (Hinsdale), and it served the community until the turn-

of-the-century when modern milling methods rendered the old mill obsolete.

Graue Mill and Museum is a nonprofit volunteer organization supported entirely by admissions, memberships, and donations. The buildings and grounds are owned and maintained by the DuPage County Forest Preserve District.

Today, thousands of visitors annually view the basic milling process, explained by a miller in a white apron and purchase fresh stoneground cornmeal in old-fashioned cloth bags. After browsing the museum store on the ground floor, they may also stroll the museum’s upper stories, which contain an old-fashioned barn, nostal-

gic child’s room, Victorian drawing room, early American kitchen and sitting room and an old country store complete with genuine rock candy and high-button shoes.

In the basement, said to have been an Underground Railway station, visitors can view the large and fascinating wooden gearwheels.

Spinning and weaving artisans provide demonstrations and events are held regularly on weekends when the mill is open.

Season

Mid-April to mid-November Tuesdays through Sundays. Closed Mondays, except some Monday holidays.

Admission:

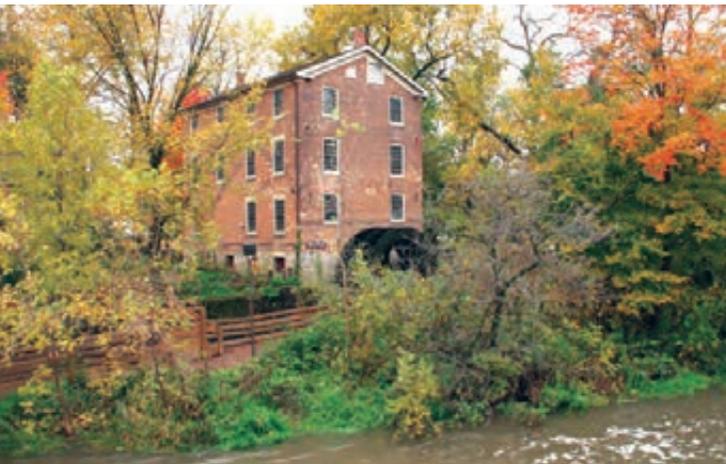

Adults \$5
Seniors \$4
Children \$2

Groups of 20 or more require a reservation. Call 630-655-2090 or 630-920-9720.

FREDERICK GRAUE HOUSE

The Frederick Graue House, built in 1859, stands next to Graue Mill. Restored and opened to the public in 2002, the house is a fine example of Italianate architecture. The interior of the house has been converted into a multi-use facility and is used for special programs and exhibits by Graue Mill. The house is also available for rental for weddings, showers, birthday and anniversary parties, and meetings. Occupancy of the house is limited to 70 people, but the surrounding grounds also are available for rental.

For more information regarding rental of the Frederick Graue House, please call Graue Mill at 630-920-9720. The DuPage County Forest Preserve District owns and maintains the Frederick Graue House, Graue Mill and the surrounding grounds.

HCS FAMILY SERVICES

19 E. Chicago Ave., Hinsdale
630-323-2500
hcsfamilyservices.org

Since 1937, HCS Family Services has been a beacon of compassion and support for people living on the margins in the near Western Suburbs of Chicago. DuPage County has the second-largest hungry population in the state of Illinois, and one in eight children in northern Illinois faces hunger.

At the end of the Great Depression, Hinsdale community leaders founded HCS Family Services to provide food and utility assistance to the local community. Today, HCS Family Services continues to live by its founders' vision of helping neighbors in need.

HCS Family Services operates two food pantries that provide free groceries in a drive-thru model to all. Last year, HCS Family Services distributed more than 700,000 pounds of food with a retail value of \$1.2 million. By providing food at no cost, clients have the extra disposable income to spend on critical expenses such as medical, rent, transportation and child care. HCS Family Services provides healthy food options (including fresh produce,

milk, and eggs), as well as, many essential household items (diapers, paper products and toiletries) to guests.

HCS Family Services operates a community pantry, located in Hinsdale's Memorial Building, and a second pantry at the Anne M. Jeans Elementary School in Willowbrook. HCS Family Services serves approximately 1,000 neighbors each week and makes more than 52,000 food distributions to families, children and seniors annually.

HCS Family Services purchases about 20 percent of its food through the efficient Northern Illinois Food Bank (NIFB) system, in which every \$1 donation buys the equivalent of \$8 in local grocery store. More than 70 percent of distributed food is rescued from local grocery stores (more than 400,000 pounds of food that would otherwise go to waste annually). The remaining 10 percent of HCS Family Services food supplies come from generous community donations.

HCS Family Services could not operate without its extended network of community partners. Approximately 400 community volunteers work at HCS Family Services each year as bag packers, sorters, delivery truck drivers, stockers and food distributors. HCS Family Services fills about 85 volunteer opportunities each week.

HCS Family Services food pantries also serve as a gateway to other social services. HCS Family Services refers clients to a range of other services for housing, rent and utility, mental health and furnishing assistance; distributes Thanksgiving meals to guests; and last year, organized the distribution of December holiday gifts to 900 children and seniors.

HINSDALE HUMANE SOCIETY

21 Salt Creek Lane, Hinsdale
630-323-5630
hinsdalehumanesociety.org

For 68 years, the nonprofit Hinsdale Humane Society (HHS) has been finding forever families for homeless dogs, cats and critters, while also offering community programs like Pet Therapy, Dog Training and Humane Education. What

started as six local women wanting to make a difference in 1953 has grown into the well-respected Tuthill Family Pet Rescue & Resource Center (PRRC) that it is today, with some 300 volunteers and more than 1,500 adoptions annually and growing daily!

Focusing on helping the underdogs and cats, HHS works in partnership with other animal welfare organizations throughout the country to be stronger together. The Irving & Phyllis Millstein Medical Suite in the shelter provides other rescues with low-cost spay and neuter services, and offers low-cost vaccination clinics and basic health care to pet parents everywhere.

It all comes back to the animals and providing them with innovative care while at the facility and a wonderful forever home once they leave. The PRRC educates, advocates and adopts

out pets, acting as a voice for animals who depend on people for their care. The goal is to prevent animal suffering and neglect throughout this community and beyond and to ensure that all animals in shelters and homes are well cared for and treated with compassion.

The PRRC is a "limited access" shelter (not required to accept every pet coming through the doors) that never has to euthanize for reasons of time or space. To help "open access" shelters that must accept every pet through their doors, the PRRC transfers in animals from those shelters to help get them into homes.

Pets also come to the shelter from a dozen police departments throughout the Western Suburbs that bring in lost animals. Last but not least, pets that can no longer stay with their family due to financial constraints, allergies or for other reasons go on a waiting list for an adoption spot at the shelter.

After all pets have a health screening and go through temperament testing, they are ready for adoption. Once pets leave the shelter, there are plenty of community resources housed within the PRRC to help families with behavior, training, medical issues and more.

For more information about the PRRC or how to get involved, visit hinsdalehumanesociety.org.

HINSDALE HISTORICAL SOCIETY

15 S. Clay St.
Hinsdale
630-789-2600
hinsdalehistory.org

Incorporated in 1975, the Hinsdale Historical Society bridges the past, present and future by engaging the community with its architecture and history. Serving as the repository for Hinsdale's rich history, the society collects and preserves archival material and artifacts for research and exhibition. As a nonprofit supported entirely by memberships, donations and fundraising, the society maintains three historic properties, offers a variety of educational programs, and collaborates with the community to instill pride in Hinsdale's heritage.

- The Hinsdale History Museum, 15 S. Clay St.

The home, constructed in 1874, depicts the life of a middleclass family during the village's early years prior to 1900. Donated by School District 181, the house was relocated to Eleanor's Park in 1981. Through private fundraising and volunteer efforts, a full restoration resulted in seven period rooms filled with authentic antiques and features small exhibits, a program space and gift shop. The Hinsdale Garden Study Club lovingly tends the beautiful Victorian garden. Visitors can tour on Fridays and Saturdays, noon to 4 pm, with group tours available by appointment. Admission is free, but donations are greatly appreciated.

- Immanuel Hall, 302 S. Grant St.

This 1900 church, saved from demolition in 1999, is home to the Society's local history archives and the Roger and Ruth Anderson Architecture Center. It's open for research on Tuesdays and Wednesdays, from 10 a.m. to 2 p.m. The Hall is also available for use by the public for community meetings, nonprofit fundraisers, public seminars and musical recitals.

- H. Harold Zook Home & Studio, 5905 S. County Line Road

In 2005, the Society saved the Cotswold-style cottage designed for his family by Hinsdale architect R. Harold Zook. The home and studio were moved to Katherine Legge Memorial Park next to the Zook-designed lodge. Although still in the rehabilitation process, the building's unique architectural style can still be enjoyed within the historic park setting.

For those wanting to explore Hinsdale's neighborhoods, the Society, in partnership with Hinsdale's Historic Preservation Commission, launched a tours app: HistoricalTourist: Hinsdale. Like having a private tour guide in the palm of your hand, the tours highlight and detail the local architecture and stories of Hinsdale's past. It's free to download for both Apple and Android devices.

The annual Hinsdale Cooks! Kitchen Walk, organized by the Society's dedicated women's board, has become a local not-to-be-missed experience. Held the Friday before Mother's Day, hundreds of people tour exclusively selected homes to view uniquely designed kitchens, sample fabulous vendors, and enjoy Hinsdale's hometown charm.

THE COMMUNITY HOUSE

415 W. Eighth St., Hinsdale
630-323-7500
thecommunityhouse.org

Since its beginning in 1941, The Community House, a 501-c3 nonprofit organization, has been at the heart of the community. As it has branched out, its sense of service and of community has grown, but its heart remains—to champion a vibrant and caring community.

The organization offers many innovative and unique educational, athletic and arts programs, providing countless opportunities for volunteering and investment. The facility is open for meetings, parties and weddings. But at the end of the day, The Community House leaders' desire is to see a deeply connected community transforming lives. The organization stands for the power of neighbors joining with neighbors.

Whether through the Ly Hotckin Arts Program, youth recreation programming, Active Adults, facility rentals or the social services

we provide through Willowbrook Corner, The Counseling Center and before and after school programming, our mission remains simple. We ignite the promise of relationships, inspire your best self to come out and play, unite people across a diverse communi-

ty and provide a meaningful place to engage.

For more information on how you can be part of The Community House— by participating in programs, volunteering or investing in our community—visit thecommunityhouse.org or call 630-323-7500.

WELLNESS HOUSE

131 N. County Line Road, Hinsdale
630-323-5150
wellnesshouse.org

Wellness House envisions a community where all people affected by cancer thrive.

Offered at no cost, and as a complement to medical treatment, our programs educate, support and empower participants so they will improve their physical and emotional well-being. Wellness House offers online and in-person programs for those who are newly diagnosed, in treatment and post-treatment,

along with caregivers and families. Over 500 programs per month are professionally designed and facilitated to complement traditional medical treatment to help people live their fullest during and beyond a cancer diagnosis. Participants can choose from a variety of programs such as nutrition, exercise, information and education, stress management, and support and family counseling. Many programs are now presented in Spanish.

Wellness House programs can lead to:

- Access to current and reliable information
- Healthy eating that increases energy and reduces side effects
- Improved quality of life, reduced side effects and lessened fatigue through exercise
- Reduced stress through relaxation techniques
- A space for kids, teens and parents to express how they feel
- An opportunity to connect with others experiencing similar circumstances

Online programming has increased accessibility; participants can choose to attend programs from the comforts of home or in-person. To get started at Wellness House or make a donation, call 630-323-5150 or visit wellnesshouse.org.

Fast, easy cancer screenings for the whole you.

That's **Wholecare.**

It's time to schedule the cancer exam you've been putting off — your screening mammogram, colonoscopy, skin check, or advanced CT lung scan. AMITA Health has multiple locations, so exams are easy to schedule close to home. We use the latest technology and turn around your results quickly. And, if needed, leading-edge care is close by, with locations throughout Chicago and the surrounding suburbs. Plus, we offer a unique, supportive approach: Wholecare. That's peace of mind.
