**DPHSS Guidance Memorandum 2020-11 Rev12**

**RE: Additional Guidance Relative to Executive Order No. 2021-13**

As part of Guam's ongoing effort to contain the spread of COVID-19, all individuals entering Guam by air or sea shall be subject to a 10-day quarantine, except as provided herein. Arriving passengers must quarantine at a Government of Guam Quarantine Facility (QFAC) unless the individual qualified for quarantine at a rental lodging or personal residence as authorized by the Guam Department of Public Health and Social Services (DPHSS). Individuals may also be eligible for exemption from quarantine provided they present upon arrival the required documents pursuant to this Guidance Memorandum. **The submission of false written statements and/or documents with intent to mislead constitutes a misdemeanor (9 GCA Chapter 52).**

Government quarantine facilities, and all services included therein, are provided at no cost to travelers.

In coordination with the A.B. Won Pat International Airport Authority, Guam (GIAA), transiting passengers will remain in a designated section of the airport facility while awaiting connecting flights less than 13 hours from landing time to departure time, unless the individual qualifies for exemption from quarantine. Transiting passengers awaiting connecting flights in excess of 13 hours will quarantine at the QFAC until they are transported to the GIAA to transit off Guam, unless the individual qualifies for exemption from quarantine.

All persons exiting the GIAA are required to fill out a Health Declaration form prior to or upon arrival in Guam. Individuals subject to Government of Guam quarantine restrictions are requested to voluntarily comply with the Government of Guam quarantine requirements and indicate their willingness by signing a *Voluntary Quarantine Acknowledgement* form. Individuals who choose not to sign or do not agree to voluntarily comply with quarantine will be subject to Involuntary Quarantine and issued a *Directive for Temporary Quarantine*. Individuals who are involuntarily quarantined will also be issued a copy of the *10 GCA Chapter 19 Article 6 and Definitions* and notified of their right to legal representation.

Voluntary quarantine regardless of location is subject to monitoring, verification, and enforcement. **The knowing and intentional failure to follow any part of this order constitutes a misdemeanor punishable by a fine of not more than \$1,000 or imprisonment of not more than one year or both (10 GCA, Chapter 19, §19604 (c) Cooperation).**

Travelers arriving into the United States from any foreign country are subject to the Centers for Disease Control and Prevention (CDC) requirement of obtaining a negative pre-departure COVID-19 test result or documentation of recovery from COVID-19, and are still required to undergo

quarantine based on their traveler status as defined in this document, subject to exemptions as provided herein.

This guidance does not apply to individuals identified as close contacts to persons with COVID-19. Close contacts will be subject to quarantine based on applicable Guam law, DPHSS case investigation and quarantine protocols, and CDC guidelines, which may extend the quarantine period beyond the time prescribed herein. Travelers who test positive during their quarantine period or while transiting through Guam are subject to DPHSS isolation protocols and are not subject to this guidance.

For questions or concerns regarding this document, please submit your inquiry on [dphss.guam.gov/quarantine](http://dphss.guam.gov/quarantine).

## **I. ARRIVAL PROTOCOLS**

Arriving passengers (air or sea) are subject to a 10-day quarantine period, except as provided herein.

**By signing a *Voluntary Quarantine Acknowledgement form*, arriving passengers agree to the following:**

1. To comply with the voluntary quarantine order for the period prescribed;
2. To be transported by the Government of Guam directly from the port of entry to the QFAC;
3. To remain in their assigned room while in the designated QFAC;
4. To not receive visitors or visit any other rooms in the facility;
5. To be monitored daily for symptoms of COVID-19 for 10 days after arrival; and
6. To leave the quarantine location only for medical emergencies and medical appointments approved by DPHSS.

Individuals departing by air or sea during their quarantine period will be permitted to leave the QFAC to transit off Guam if they provide verifiable departure information. Transportation will be provided from the QFAC to the GIAA for those traveling by air. However, transportation for individuals departing by sea will be the responsibility of the vessel agent.

### **Day 5 or Day 6 Test for Release from Quarantine**

Individuals in the QFAC may receive, subject to availability and at no cost to travelers, a COVID-19 test on day 5 or day 6 of quarantine, administered by DPHSS or another provider designated by DPHSS.

**Acceptable COVID-19 (SARS-CoV-2) tests** are defined as (1) molecular tests, such as RT-PCR tests, which detect SARS-CoV-2 genetic material, or (2) antigen tests that detect specific proteins on the surface of the SARS-CoV-2 virus. These tests help to identify whether individuals are currently infected with the coronavirus. At a minimum, test results must include patient name,

date of birth, specimen collection date, and the type of COVID-19 test performed.

If the individual receives a **negative COVID-19 test result**, the individual will be released from quarantine after completion of day 7 but must self-monitor for symptoms of COVID-19 for 14 days after arrival. In the event the individual receives a **positive COVID-19 test result**, the individual shall be subject to isolation protocols established by DPHSS and shall be isolated at a Government of Guam Isolation Facility.

In the event the individual declines to receive a COVID-19 test while in the QFAC, such individual shall complete the full 10-day quarantine in the QFAC.

## II. QUARANTINE EXEMPTION PROTOCOLS

### A. FULLY VACCINATED INDIVIDUALS

Individuals who are fully vaccinated with a U.S. Food and Drug Administration (US FDA) Emergency Use Authorization (EUA) COVID-19 vaccine, or with a World Health Organization (WHO) Emergency Use Listing (EUL)<sup>1</sup> COVID-19 vaccine, may be exempt from quarantine. Individuals are considered fully vaccinated 2 weeks after their second dose in a 2-dose series, or 2 weeks after a single-dose vaccine.

#### Fully Vaccinated with Immediate Proof of US FDA EUA or WHO EUL COVID-19 Vaccination

Individuals presenting immediate proof of vaccination are eligible to be exempt from quarantine at the port of entry. Individuals seeking an exemption from quarantine under this section must present the following documents upon arrival:

1. Photo identification (e.g. passport, driver's license, state-issued identification);
2. Primary COVID-19 vaccination record, which includes the patient name, date of birth, vaccination date(s), and the brand of COVID-19 vaccine administered; AND,
3. Secondary form of COVID-19 vaccine verification; OR,
4. *Declaration of Individual Attesting to COVID-19 Vaccination*, signed under penalty of perjury.

Acceptable secondary form of COVID-19 vaccine verification includes the following:

1. Vaccinating health authority record; OR,
2. Vaccinating provider letter; OR,
3. Receipt of COVID-19 vaccine administered; OR,
4. Other form of secondary verification, to be approved at the reviewing officer's discretion.

Individuals vaccinated in Guam, whose vaccination information are verifiable utilizing the WebIZ Application will not be required to present a secondary form of vaccine verification and

will not be required to present the *Declaration of Individual Attesting to COVID-19 Vaccination* form.

Individuals vaccinated in the Commonwealth of the Northern Mariana Islands (CNMI) may be eligible for exemption from quarantine upon arrival, provided they present their photo identification (e.g. passport, driver's license, state-issued identification) along with their CNMI Immunization Registry Official Immunization Record upon arrival into Guam.

#### Fully Vaccinated without Immediate Proof of US FDA or WHO EUL COVID-19 Vaccination

Individuals who are unable to present immediate proof of vaccination at the port of entry may be eligible for exemption from quarantine subject to the following requirements:

1. Individuals must sign a *Voluntary Quarantine Acknowledgement* form, as provided in **Section I**.
2. Individuals must be quarantined at the QFAC and monitored for symptoms until such time as DPHSS is able to verify vaccination status.
3. Individuals are encouraged to assist DPHSS in verifying their vaccination status, as necessary.

If Proof of Verification is obtained, the individual will be released from quarantine but must self-monitor for 14 days after arrival.

Fully vaccinated individuals qualifying for an exemption from quarantine under this section are subject to the following requirements:

1. Individuals must observe social distancing, wear protective face coverings, and practice proper hand-washing etiquette;
2. Individuals must self-monitor for symptoms of COVID-19 for 14 days after arrival;
3. Individuals must adhere to any Executive Order currently in place for Guam as it pertains to the Public Health Emergency.

Failure to satisfy any of the requirements listed above will result in being subject to the original voluntary quarantine order.

#### **B. INDIVIDUALS WITH A PREVIOUS COVID-19 INFECTION**

Individuals who have contracted and recovered from COVID-19 within the 3 months preceding their arrival in Guam, and who show no symptoms of COVID-19 infection, may be eligible for exemption from quarantine. Individuals seeking an exemption from quarantine under this section must present the following documents upon arrival:

1. Photo identification (e.g. passport, driver's license, state-issued identification);
2. Valid positive COVID-19 test result collected between 10 to 90 days prior to arrival;
3. Valid positive COVID-19 test result collected within 10 days prior to arrival and a subsequent clearance from a physician, clinic or health department.

Individuals who are unable to present the required documents at the port of entry may be eligible for exemption from quarantine subject to the following requirements:

1. Individuals must sign a *Voluntary Quarantine Acknowledgement* form, as provided in **Section I**.
2. Individuals must be quarantined at the QFAC and monitored for symptoms until such time as DPHSS is able to verify whether they qualify for an exemption due to a previous COVID-19 infection and recovery. If an individual becomes symptomatic while at the QFAC, they will be assessed by a DPHSS medical provider.
3. Individuals are encouraged to assist DPHSS in verifying whether they qualify for an exemption due to a previous COVID-19 infection and recovery, as necessary.

If Proof of Previous COVID-19 Infection is obtained, the individual will be released from quarantine but must self-monitor for 14 days after arrival.

Failure to satisfy any of the requirements listed above will result in being subject to the original voluntary quarantine order.

#### C. ARRIVING PASSENGERS FROM COUNTRIES WITH NO (ACTIVE) CASES OR IMPORTED/SPORADIC CASES

Arriving passengers (air or sea) who originate from a country with a transmission classification of “No (Active) Cases” or “Imported/Sporadic cases,” as defined by the WHO<sup>2</sup>, are not required to quarantine upon arrival into Guam.

**No (Active) Cases** is defined as no cases detected for at least 28 days (two times the maximum incubation period) in the presence of a robust surveillance system. This implies a near-zero risk of infection for the general population.

**Imported/Sporadic Cases** is defined as cases detected in the past 14 days are all imported, sporadic (e.g. laboratory acquired or zoonotic) or are all linked to imported/sporadic cases, and there are no clear signals of further locally acquired transmission. This implies a minimal risk of infection for the general population.

Arriving passengers (air or sea) qualifying for an exemption from quarantine under this section are subject to the following requirements:

1. Individuals must observe social distancing, wear protective face coverings, and practice proper hand-washing etiquette;
2. Individuals must self-monitor for symptoms of COVID-19 for 14 days after arrival;
3. Individuals must adhere to any Executive Order currently in place for Guam as it pertains to the Public Health Emergency.

### III. GOVERNMENT OF GUAM QUARANTINE FACILITY EXEMPTION PROTOCOLS

#### A. PRE-ARRIVAL NEGATIVE COVID-19 TEST

Passengers who do not qualify for exemption from quarantine as outlined in **Section II** may qualify for quarantine at a rental lodging or personal residence. In order to qualify, passengers must present the following at the airport upon arrival: (1) an acceptable negative COVID-19 test result collected within 72 hours prior to arrival into Guam, and (2) photo identification (e.g. passport, driver's license, state-issued identification).

**Acceptable COVID-19 (SARS-CoV-2) tests** are defined as (1) molecular tests, such as RT-PCR tests, which detect SARS-CoV-2 genetic material, or (2) antigen tests that detect specific proteins on the surface of the SARS-CoV-2 virus. These tests help to identify whether individuals are currently infected with the coronavirus. At a minimum, test results must include patient name, date of birth, specimen collection date, and the type of COVID-19 test performed.

Persons who qualify for quarantine at a rental lodging or personal residence must agree to the following:

1. Must sign a *Voluntary Quarantine Acknowledgement* form;
2. Must provide:
  - a. Their quarantine location address,
  - b. A working phone number where they may be contacted, and
  - c. A working email address;
3. Must not leave the quarantine location for any purpose other than medical emergencies and medical appointments approved by DPHSS;
4. Must self-monitor for symptoms of COVID-19 for 14 days after; and
5. Must return to the QFAC if found to be non-compliant to symptom monitoring and/or quarantine.

Individuals quarantined at a rental lodging or personal residence may receive an acceptable COVID-19 test on day 5 or day 6, subject to availability, administered by DPHSS or another provider. If the individual receives a **negative COVID-19 test result**, the individual will be released from quarantine after completion of day 7, but must self-monitor for symptoms of COVID-19 for 14 days after arrival. In the event the individual receives a **positive COVID-19 test result**, the individual shall be subject to isolation protocols established by DPHSS.

Individuals with departing flights during their quarantine period will be permitted to transit off Guam if they provide verifiable departure information.

#### B. MINORS

A **minor** is defined as a person under the age of majority, which legally demarcates childhood from adulthood. The age of majority in Guam is eighteen (18). Therefore, persons below the age

of 18 are minors, unless they are emancipated minors. Emancipated minors are not subject to this section.

#### Minors Accompanying Parents, Legal Guardians, or Authorized Representatives

In the event that the parents, legal guardians, or authorized representatives of the subject minor(s) do not have proof of US FDA EUA or WHO EUL COVID-19 vaccination, or a documented previous COVID-19 infection, the parents, legal guardians, or authorized representatives may opt to have an authorized adult pick up the minor(s) at the airport, or have the minor(s) stay with them at the quarantine facility.

Minors accompanying their parent, legal guardian, or authorized representative into the government quarantine facility must remain under the parent, legal guardian, or authorized representatives' supervision in the assigned room for the duration of their stay. Because the minor was exempt from quarantine at the point of entry, testing is not required.

#### Unaccompanied Minors

An **unaccompanied minor** is defined as a minor who travels into Guam without the presence of a parent, legal guardian, or authorized representative. Upon arrival into Guam, the airline will follow its protocols for Unaccompanied Minor Service.

An unaccompanied minor arriving in Guam must be met by a parent, legal guardian, or authorized representative at the airport. The parent, legal guardian, or authorized representative must provide photo identification in order to receive the unaccompanied minor. In the event that an unaccompanied minor is not received at the airport by a parent, legal guardian, or authorized representative, DPHSS Child Protective Services will be notified.

### C. MEDICAL REQUEST

***Medical Request Passenger (MRP)***: MRPs who do not qualify for exemption from quarantine as outlined in **Section II** may qualify for quarantine at a rental lodging or personal residence with Restriction of Movement (ROM) guidelines allowing MRPs to leave their quarantine location to attend medical appointments. Such MRPs must meet the following criteria: (1) the MRP must submit a request to quarantine at a rental lodging or personal residence to DPHSS at [dphss.guam.gov/quarantine](http://dphss.guam.gov/quarantine) prior to arrival; (2) such request must contain supporting documentation, including a medical referral from a referring healthcare provider; (3) the MRP must present an acceptable **negative COVID-19 test result** collected within 72 hours of arrival in Guam. If test results are not provided, the individual must agree to schedule and receive an acceptable COVID-19 test within 24 hours of arrival into Guam.

Individuals with serious or acute medical conditions who do not have a medical referral to receive care on Guam should submit a request at [dphss.guam.gov/quarantine](http://dphss.guam.gov/quarantine) prior to arrival.

Emergency medical requests may be considered on a case-by-case basis at the port of entry. The individual will be required to provide supporting documentation for verification of the circumstances.

MRPs must adhere to the following requirements:

1. Must sign a *Voluntary Quarantine Acknowledgement* form;
2. Must provide:
  - a. Their quarantine location address,
  - b. A working phone number where they may be contacted, and
  - c. A working email address;
3. Must adhere to MRP ROM guidelines that will be provided at the airport;
4. Must adhere to any Executive Order currently in place for Guam as it pertains to the Public Health Emergency; and,
5. Must self-monitor for symptoms of COVID-19 for 14 days after arrival.

To qualify for quarantine at a rental lodging or personal residence with applicable ROM, care providers and traveling companions of MRPs must present an acceptable **negative COVID-19 test result** collected within 72 hours of arrival in Guam. If test results are not provided, the individual must agree to schedule and receive a COVID-19 test within 24 hours of arrival. Care providers and traveling companions will adhere to the same quarantine requirements as the MRPs that they are accompanying. In the event an MRP is subject to quarantine at the designated Government of Guam Facility, such MRP's care provider and/or traveling companion will likewise be subject to quarantine at the designated Government of Guam Facility, notwithstanding their presentation of an acceptable **negative COVID-19 test result**.

Individuals quarantined at a rental lodging or personal residence may receive an acceptable COVID-19 test on day 5 or day 6, subject to availability, administered by DPHSS or another provider. If the individual receives a **negative COVID-19 test result**, the individual will be released from quarantine after completion of day 7, but must self-monitor for symptoms of COVID-19 for 14 days after arrival. In the event the individual receives a **positive COVID-19 test result**, the individual shall be subject to isolation protocols established by DPHSS.

Individuals with departing flights during their quarantine period will be permitted to transit off Guam if they provide verifiable departure information.

**D. EMERGENCY/HARDSHIP (EH)**

Emergency/Hardship: Persons who do not qualify for exemption from quarantine as outlined in **Section II** may request for EH status due to a personal or family emergency.

Persons seeking EH status must adhere to the following requirements:

1. Must go directly from the airport to a Government of Guam Quarantine Facility;
2. Must agree to be assessed by the Medical, Behavioral Health, or Public Health staff at the Government of Guam Quarantine Facility to determine necessary services, which may include an option to leave quarantine on a time-limited basis for a specific EH event/activity or transfer to home quarantine;

- a. Individuals must provide documentation and information regarding the emergency/hardship to Medical, Behavioral Health, or Public Health staff;
- b. Reviews for emergency/hardship may take several days depending on the completeness of documentation and availability of COVID-19 testing;
3. Must receive an acceptable **negative COVID-19 test** result (post-arrival); and,
4. Government of Guam Quarantine Facility Medical, Behavioral Health, and Public Health staff will determine whether a person's emergency/hardship situation qualifies for an option to leave quarantine for a time-limited activity or transfer to home quarantine on a case-by-case basis.

Failure to satisfy any of the requirements listed above will result in being subject to the original voluntary quarantine order and any accompanying documents.

Persons who are approved to leave quarantine for a specific time-limited EH event/activity, must agree to the following:

1. Return to the Government of Guam Quarantine Facility at the conclusion of the allotted time specified by DPHSS;
2. Wear personal protective equipment as directed by Public Health staff and adhere to social distancing requirements during the entire EH event/activity;
3. Be transported to and from the Government of Guam Quarantine Facility and supervised by authorized Government of Guam staff (e.g., law enforcement officers, National Guard, other authorized DPHSS or Department of Public Works staff, etc.) during the EH event/activity; and
4. Authorized event/activity will typically be approved for two (2) hours in duration.

Persons who are approved to quarantine at a rental lodging or personal residence must agree to the following:

1. Must sign a new *Voluntary Quarantine Acknowledgement* form;
2. Must provide:
  - a. Their quarantine location address,
  - b. A working phone number where they may be contacted, and
  - c. A working email address;
3. Must not leave the quarantine location for any purpose, except to attend to the emergency/hardship at authorized times, or for medical emergencies or medical appointments approved by DPHSS;
4. Must adhere to symptom monitoring by DPHSS; and
5. Must return to the Government of Guam quarantine facility if found to be non-compliant to symptom monitoring and/or quarantine.

Individuals quarantined at a rental lodging or personal residence may receive an acceptable COVID-19 test on day 5 or day 6, subject to availability, administered by DPHSS or another provider. If the individual receives a **negative COVID-19 test result**, the individual will be released from quarantine after completion of day 7, but must self-monitor for symptoms of COVID-19 for 14 days after arrival. In the event the individual receives a **positive COVID-19 test result**, the individual shall be subject to isolation protocols established by DPHSS.

Individuals with departing flights during their quarantine period will be permitted to transit off Guam if they provide verifiable departure information.

#### **E. AIRLINE CREW MEMBERS AND FEDERAL AVIATION ADMINISTRATION STAFF**

Airline Crew Members who do not qualify for exemption from quarantine as outlined in **Section II** will be subject to the following guidelines.

**Air Crew:** A crew member arriving “by air” is defined as flight crew working on the arriving flights or commuting to work on upcoming passenger or cargo flights. Crew members must be listed on the “General Declaration” as provided by the Airline *or* pre-listed by DPHSS. Non-Guam based Air Crew Members must present a valid work identification and their work flight out of Guam upon arrival into Guam. The work flight out of Guam must be within 48 hours of arrival into Guam.

**FAA Staff** is defined as FAA employees who travel to Guam for the specific purpose of performing official duties in maintaining critical air transportation services. These persons must be non-residents performing official duties in Guam or residents returning from performing official duty and must present a valid FAA work identification upon arrival into Guam.

#### **Resident Airline Crew/FAA Staff must adhere to the following upon arrival in Guam :**

1. Must adhere to the general protocols outlined by their employer, designed to mitigate COVID-19 transmission;
2. Must observe social distancing, wear face coverings and practice proper hand-washing etiquette; and
3. Are not required to quarantine or undergo COVID-19 testing;
4. Must adhere to any Executive Order currently in place for Guam as it pertains to the Public Health Emergency; and,
5. Must self-monitor for symptoms of COVID-19, and immediately notify their primary healthcare provider if symptoms develop.

#### **Non-Resident Airline Crew/FAA Staff must adhere to the following upon arrival in Guam :**

1. Must sign a *Voluntary Quarantine Acknowledgement* form;
2. Must provide:
  - a. A valid physical address;
  - b. A working phone number where they can be contacted; and

- c. A working email address.
3. Must adhere to the general protocols outlined by their employer, designed to mitigate COVID-19 transmission;
4. Must self-quarantine within their personal residence or rental lodging for 10 days;
5. May only leave the quarantine location for the following purposes: to perform all official duties necessary to maintain critical air transportation services for Guam, purchase groceries, exercise outdoors, pick up curbside/drive-through food services, and for medical emergencies and medical appointments;
6. Must observe social distancing, wear face coverings and practice proper hand-washing etiquette; and
7. Must self-monitor for symptoms of COVID-19, and immediately notify their primary healthcare provider if symptoms develop.

#### F. VESSEL CREW MEMBERS

Vessel Crew Members who do not qualify for exemption from quarantine as outlined in **Section II** will be subject to the following guidelines.

**Vessel Crew** is defined as crew working on the arriving/departing vessel or commuting to work on an upcoming passenger or cargo ocean vessel. Crew members shall adhere to the general protocols outlined by their Maritime employer designed to mitigate COVID-19 transmission. Vessel crew working on Department of Defense (DoD) vessels are subject to the DoD quarantine guidance. Refer to **Section III.H**.

##### Vessel Crew Members Arriving from the GIAA

Vessel crew members arriving from the GIAA may qualify for quarantine at a rental lodging or personal residence provided the following conditions are met:

1. Crew names must be provided to DPHSS at least 24 hours prior to arrival in Guam by an authorized local vessel agent/employer;
2. A representative of the authorized local vessel agent/employer must be present to provide transportation, or must have made an arrangement with the Department of Public Works to provide transportation of the vessel crew member to the rental lodging or personal residence;
3. The vessel crew member must present an acceptable **negative COVID-19 test result** collected within 72 hours of arrival in Guam; and
4. The vessel crew member must transit to a scheduled vessel or flight departing within 5 days of arrival into Guam.

##### Vessel Crew Members Arriving from the Seaport

Vessel crew members arriving at the seaport may qualify for quarantine at a rental lodging or personal residence provided the following conditions are met:

1. Crew names must be provided to DPHSS at least 24 hours prior to arrival in Guam by an authorized local vessel agent/employer;

2. A representative of the authorized local vessel agent/employer must be present to provide transportation or have made arrangement with the Department of Public Works to provide transportation of the vessel crew member to the rental lodging or personal residence;
3. The vessel crew member must transit to a scheduled vessel or flight departing within 5 days of arrival in Guam;
4. If the vessel crew member is not departing within 5 days of arrival in Guam, the vessel crew member must receive an acceptable **negative COVID-19 test result** collected on day 5 or day 6 after arrival into Guam. The COVID-19 test may be administered by a provider designated by the local vessel agent/employer.

Vessel Crew Members who do not meet these criteria will be transported by the Government of Guam to the designated Government of Guam Quarantine Facility, where they will quarantine for a period of 10 days.

Individuals departing by air or sea during their quarantine period will be permitted to transit off Guam if they provide verifiable departure information. Transportation must be arranged by the vessel agent/employer.

Vessel Crew Members must adhere to the following requirements:

1. Must sign a *Voluntary Quarantine Acknowledgement* form;
2. Must provide:
  - a. Their quarantine location address;
  - b. A working phone number where they may be contacted; and,
  - c. A working email address;
3. Must adhere to the home quarantine Restriction of Movement guidelines that will be provided at the point of entry;
4. Must observe social distancing, wear face coverings and practice proper hand-washing etiquette; and
5. Must self-monitor for symptoms of COVID-19, and immediately notify primary care physician if symptoms develop.

G. CRITICAL SERVICE WORKER

*Critical Service Worker (CSW):* CSWs who do not qualify for exemption from quarantine as outlined in **Section II** may qualify for quarantine at a rental lodging or personal residence with Restriction of Movement (ROM) guidelines allowing CSWs to report to work during their quarantine period. Requests for CSW exemption status must be submitted to the DPHSS website at [dphss.guam.gov/quarantine](http://dphss.guam.gov/quarantine). Requests will be reviewed by an authorized DPHSS official and subject to approval on a case-by-case basis. The CSW will be required to provide supporting documentation for verification of the circumstances.

#### H. DOD-AFFILIATED PERSONNEL

Active duty military and dependents, DoD civilians and dependents, and DoD contractors arriving by commercial air or sea are subject to the following requirements if they do not meet the criteria outlined in **Section II**:

1. Active duty military and dependents, DoD civilians and dependents, and DoD contractors who are on the Joint Task Force listing at the point of entry will follow quarantine guidelines and restriction of movement as established by the DoD.
2. Active duty military and dependents, DoD civilians and dependents, and DoD contractors who are **not** on the Joint Task Force listing at the point of entry will follow the arriving passengers protocols for the general public established in **Section I**.
3. Active duty military, DoD civilians, and DoD contractors assigned to visiting units who are fully vaccinated pursuant to **Section II.A.** but cannot obtain a negative COVID-19 test due to military mission requirements may still be exempt from quarantine where a cognizant DoD medical officer verifies that such personnel have been embarked at sea or otherwise in a sequestered environment for greater than 14 days and are asymptomatic for the COVID-19 virus.
4. Active duty military and dependents, DoD civilians and dependents, and DoD contractors with any questions or concerns regarding applicable military regulations should contact the Naval Base Guam Emergency Operations Center at [M-GU-NBG-EOC-BTLWTCH@fe.navy.mil](mailto:M-GU-NBG-EOC-BTLWTCH@fe.navy.mil) or the Andersen Air Force Base Joint Reception Team at [36WG.JRT.ResponseSection@us.af.mil](mailto:36WG.JRT.ResponseSection@us.af.mil).
