

Guam Chamber of Commerce COVID Policy for Events & Meetings

The safety of our members, staff and guests are important to us. We are happy to share our COVID policies for events and meetings for off-site events and in the Guam Chamber office.

- We encourage everyone, regardless of vaccination status, to wear facial coverings when not actively eating or drinking. Masks will be on-hand for those who do not have one.
- In-person RSVPs for meetings and events are highly encouraged, as we utilize these for contact tracing purposes. Members and guests who arrive at the Guam Chamber office will sign in at the reception desk.
- For the safety of all, hand sanitizers are available upon entry of the Guam Chamber office and in meeting rooms. All high touch areas are sanitized at least once a day or as often as determined is necessary.
- If you are displaying any COVID symptoms, or have been in contact with someone who has tested positive, please do not attend and take advantage of our digital offerings. If a certain event is not streamed live, your Guam Chamber team will upload a video or audio clippings onto a 'Members Only' feature after the event.
- We will continue to follow guidance from our local health departments and CDC and will adjust these measures in the future as needed.
