

# state of the SCHOOLS

**The Katy Area Chamber invites you to the annual State of the Schools luncheon scheduled for August 8, 2024 at Legacy Stadium in community rooms A&B.**

The future of our community starts in the classrooms of our local school districts. The Katy community relies on a thriving public education system providing equitable access to learning and skill-building essential for our workforce needs.

The State of the Schools recognizes the broader landscape and challenges facing the public education sector. From addressing equity gaps to adapting to changing learning environments, there are numerous factors influencing the quality and accessibility of education in our community and beyond.

We will be joined by the Superintendents from their respective districts in Dr. Ken Gregorski (Katy ISD), Dr. Roosevelt Nivens (Lamar CISD), and Rick Kershner (Royal ISD) as they give insights on the opportunities and challenges ahead. After their presentations, they will be joined by Dr. Robert Long (Texas Association of School Boards) to have a panel discussion to discuss strong leadership within our community and state-wide public education issues.

As a sponsor of the State of the Schools, you and your business have a unique opportunity to showcase your organization in front of health care, innovation, business and community leaders.

**When:**

**August 8, 2024**

11:30 – 1:00 PM
