

A Christian, Non-Profit Organization that advocates for survivors of sexual trauma and their families to reclaim their hope, regain their voice, and resist the urge to isolate.

Objective

Did you know that every 68 seconds, according to the RAINN (the National Sexual Assault Hotline), someone in America is sexually assaulted? Let's look closer to home. Per the UCR, a total of 2,500 rapes occurred last year in Waller, Fort Bend, and Harris Counties. How can we help survivors reclaim their hope? Her Well is a 501c3 Non-Profit that serves survivors of sexual assault in Waller, Fort Bend, and Harris Counties. We guide survivors to reclaim their hope, regain their voice, and resist the urge to isolate.

Solutions

Her Well invites the community to stand up for survivors and their families by supporting our two annual events, Butterfly 5K Run, and Her Well Gala. The Butterfly 5K Run is hosted in April, and the Her Well Gala is held in October.

These events are aimed at raising funds and awareness for the need of a crisis shelter in Katy/Brookshire area, offering sanctuary for women and children who have experienced domestic violence. We are committed to ending sexual violence through education, counseling, medical care, and basic self-defense courses.

We have a couple of options for you to consider when targeting your support. You can sponsor an event of your choice or both events. When choosing both, you will double the reach and provide a safe haven for survivors to heal and rebuild their lives. Join us in this crucial mission to empower survivors and create a safe place where they feel safe, valued, and heard.

RECLAIMED HOPE STORY:

"Through Her Well I have found peace and a life anew. I've only known trauma for more than 30 years and through Her Well I've been able to work through and process the trauma. I now know that it wasn't my fault, I did nothing to deserve it and I truly believe that."
