Chairman's Message

2013 has been a year of many accomplishments for the Livingston Parish Chamber of Commerce. I would like to say thank you to April Wehrs, our President and CEO for leading our organization into a new era.

Our board of directors met at the end of 2012 to develop a strategic plan and program of work to direct our efforts and dictate our goals, one of which includes accreditation. This is a monumental undertaking and our board has tirelessly worked toward the achievement of this, among other goals. The purpose for everything we do as a chamber of commerce is designed to promote our community and business in our parish.

None of this happens without numerous volunteers. There are many ways to be involved with YOUR chamber and in your community. If you would like to know more about opportunities within the chamber, please contact us.

As we celebrate and look forward to more exciting accomplishments, I would like to say how thankful I am to be part of a growing, thriving, exciting organization, the Livingston Parish Chamber of Commerce, Louisiana State Small Chamber of the Year!

President / CEO's Message

On behalf of the Chamber's nearly 500 members, we proudly present the 2013/2014 Annual Membership Directory and Welcome Guide. We have highlighted communities, healthcare, recreation, education, youth activities and other topics of interest complete with an extensive calendar of events.

As the largest business organization in Livingston Parish, we offer extensive resources to our members, engaging business for their growth as well as the positive effects a thriving business community has on the community at large. Our board of directors and committees are filled with talented business leaders.

In 2012, the Chamber was honored with the historic and prestigious distinction of being named the Louisiana State Small Chamber of the Year for 2012/2013. This award brings state and regional recognition to the parish and rewards the Chamber for exceeding industry standards in organizational, professional and community development.

This publication is brought to you exclusively through the investments of the Chamber's Membership. We encourage you to support the Chamber business members by buying through Chamber members first! Chamber members are easily found throughout this guide and our website, www.livingstonparishchamber.org.

Parish President's Message

Whether you're a lifelong resident or new to the area, you will notice that there are a lot of exciting changes occurring throughout Livingston Parish.

Some of these changes, like road and bridge improvements, may cause temporary inconveniences. Others, like the long-awaited Juban Crossing shopping, business and residential complex, cause a great deal of excitement and anticipation.

Livingston Parish has seen its share of change since its founding in 1832. In 1900, there were only slightly more than 8,000 people calling Livingston Parish home. The Parish remained a quaint and quiet bedroom community for most of its history even though the population continued to inch upward.

People have always been attracted to the easy way of life in Livingston Parish along the cooling waters of the Tickfaw and Amite rivers and the shady vastness of the scenic forests and swamps. People in Livingston Parish love to fish, hunt, cook, eat, boat, shop and enjoy family and friends. Within just a few short miles in any direction, our residents and visitors can do all that.

Livingston Parish is a unique blend of slow, Southern charm from a bygone era and modern urbanism with all its hustle, bustle and entertainment. On any given day, there may be boat races on the Tickfaw, tubing on the Amite, a craft festival in the antique district, a show at the fairgrounds, an exhibit at the State Park, a Hungarian Festival in the historical Springfield/Albany area, a jambalaya benefit, a gathering at the water park, a Hollywood film crew on location or any number of other exciting activities. It's all here if you just slow down and look.

In Livingston Parish, we are proud of our heritage and strive to protect our historic places and traditions. We also enjoy having one foot firmly planted in progress and growth.

As Parish President, I am committed to the task of preserving our vast natural resources while managing commercial growth along the I-12 corridor in order to ensure that our residents have access to top quality goods and services that will sustain our economy, preserve our way of life and keep our people right here at home where we love it most.

As Livingston Parish prepares to break ground for the newest phase of the Bass Pro Development, Riverside Landing, I invite you to sit back, enjoy the sun on your face, the music in your ears, the sight of rosy-faced children at play, the sounds of ice in a cold beverage on a hot day, the gurgle of water on its way down the river, the low voices of men around a barbeque and the musical chatter of women enjoying the marketplace.

This is Livingston Parish.

Sheriff's Message

I'm Livingston Parish Sheriff Jason Ard. As your Sheriff, my primary concern is the well-being and safety of those who live, work and visit Livingston Parish. To that end, it is the mission of the Livingston Parish Sheriff's Office to enhance the quality of life for our citizens by reducing crime and making Livingston Parish a safe place to live, work and raise a family.

Upon taking office in July 2012, I beefed-up our Narcotics Division and created a Burglary Division - all with your safety in mind. I work alongside the men and women who sacrifice each day and night to make sure you and your families are safe. I trust these Deputies with the safety of my own family. They are the best at what they do. Having worked in Law Enforcement for 20 years, I know - and my Deputies know - that 'you' are the key to keeping this parish safe and the streets clean. We are blessed to have such wonderful citizens who support law enforcement & our continued efforts - on the streets, by water and by air - to protect and serve. With a current population of 128,000 and growing, it is important that we continue to work together to keep Livingston Parish the place quality families want to settle.

In addition to our top-ranked school system, I believe the state wide award winning Livingston Parish Chamber of Commerce is another partner in moving Livingston Parish forward. I recently graduated from the Livingston Parish Chamber's Leadership Class. From this year-long course, I learned of not only of the team effort involved in the parish but also that Chamber members are dedicated to providing resources to facilitate business growth and positive promotion of the entire parish and its communities.

With so many working toward the same end - keeping Livingston Parish that safe place where people want to live, work and visit - I have no doubt that we will continue to thrive!

What is Leadership Livingston?

Leadership Livingston is a program based on a national model used by Chambers throughout the country to develop individuals as leaders within their communities. While the program is new to Livingston Parish, it has a long history of building successful leaders throughout the nation, state and neighboring parishes.

Participants are current and emerging leaders who graduate from the program with an awareness of community and social topics. With commitment and understanding, graduates of Leadership Livingston will transfer skills provided through the program into actual community application. Presenters and sponsors of the program benefit by helping to form trained, responsible, dedicated leaders who are given the tools and information to make a difference in the community where they live and/or work. Enthusiasm from their knowledge gained in the program gives graduates a "can do" approach applied with their newer understanding of their surroundings.

Chamber Committees

Governmental and Legislative Affairs

Membership/Ambassador Committee

The Membership / Ambassador Committee consists of a friendly and enthusiastic group whose purpose is to engage and inform members of the features and benefits of their Chamber membership. Committee Members can be seen at Chamber Ribbon Cutting events, Grand Openings and the numerous other Chamber relationship building events throughout the year.

Education Committee

The Chamber's Education Committee provides opportunities for the business community to connect and mentor students in the local school system. The Committee is tasked with providing meaningful programs that allow for student interaction with the business community. In addition, the Chamber provides a scholarship opportunity allowing local businesses to sponsor high school seniors. Education is vitally important to the business community and the Chamber's leadership in support of education reinforces that relationship.

Governmental and Legislative Affairs

The Chamber's Governmental and Legislative Affairs Committee assists in representing the Chamber's membership as a collective voice for business through advocacy at the state, local and national level. Past successes of the Chamber includes the efforts to bring Bass Pro Shops to Livingston Parish, the I-12 widening and other positive projects.

Our History

Livingston Parish was created on February 10, 1832, when the state Legislature split St. Helena Parish in two, with Livingston becoming the lower part.

Historians differ as to which one, but the parish was definitely named after either Robert or Edward Livingston. Robert was a member of the Continental Congress in 1789, he administered the presidential oath of office to George Washington. In 1801, he negotiated the Louisiana Purchase from the French. Edward was influential in drafting the Louisiana Civil Code of 1825 and later served as a Congressman and U.S. Secretary of State.

In 1869, Livingston Parish lost territory when Tangipahoa Parish was created, but it later gained additional land when Maurepas Island was made part of the parish.

1869 Map of Livingston Parish

Today

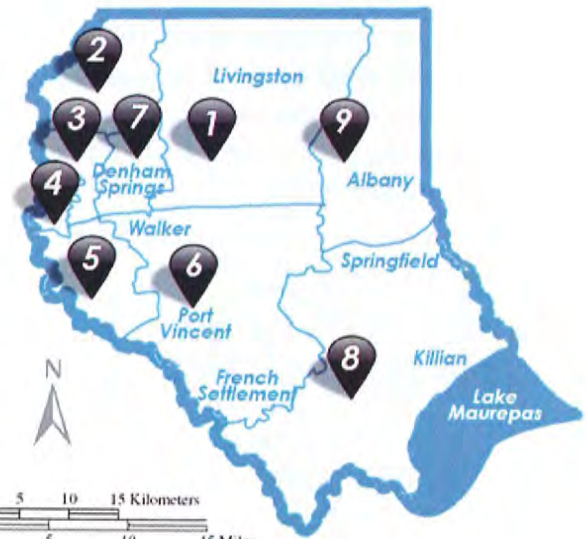

Livingston Parish is roughly 32 miles long by 30 miles wide. The geographical landscape of the parish varies from rolling terrain covered by pine and hardwood forests in the northern part to rich cypress forests and marshes that border on Lake Maurepas and the Amite River in the southern end.

Livingston Parish has eight municipalities, with Denham Springs being the largest. Other municipalities are Albany, French Settlement, Killian, Livingston (the parish seat), Port Vincent, Springfield and Walker.

Worship

St. Margaret in Albany

Bethany Baptist Church in Albany

Livingston Parish is blessed with a diverse population and an equally diverse opportunity for worship. Every community in the parish has several churches of different faiths, and in many communities, the churches and schools are the backbone of those areas and provide gathering places for activities.

Livingston Parish churches provide outreach to help food pantries, provide school uniforms for children, offer group studies and youth programs, sponsor community festivals and more. The faith of its leaders provides their moral compass to lead their neighbors in their efforts to provide a safe and enjoyable place in which to work, live and raise their children.

America's Builder

Have you seen D.R. Horton lately?

11

#1 FOR 11 YEARS IN A ROW
AMERICA'S #1 HOMEBUILDER
BUILDER MAGAZINE®
AS REPORTED BY BUILDER MAGAZINE™

We're growing! With over 30 communities across Louisiana and homes ranging in price from the low \$100's to the \$400's, it's easy to see why we're able to help hundreds of homeowners every week realize their dreams of owning a new home.

Your new home search is only a click away..

Applies to all Louisiana D.R. Horton, Inc. communities. Prices, plans, features, options and co-broke are subject to change without notice. Additional restrictions may apply. Square footages are approximate. Prices shown are base home prices and do not include closing costs and fees, modifications to plans and custom features which may substantially affect final cost of the home. Pictures are of model home only and are for demonstrative purposes only. Our homes are not sold furnished or decorated.
