The Clinton Chamber is once again hosting Yule Run Clinton, a combined 5K walk/run and 8K run race! This year's "Run, Run, Rudolph!" themed event, presented by Continental, is completely virtual to help keep all participants healthy & safe during the 2020 holiday season.

**NEW for 2020:** Runners have come to enjoy virtual races during the COVID-19 era, so in the Christmas spirit of camaraderie, the Clinton Chamber is offering a virtual race this year for participants who would love to join the fun from a distance. Because the regular in-person race is unable to take place, all registrants will receive their finisher medals and t-shirts in the mail. Despite the race being virtual, you'll still get all the holiday feels this year from Yule Run Clinton 2020, presented by Continental!

Registration is open through Saturday, December 5th, so sign up today, and join us virtually for the 3rd annual Yule Run Clinton - 2020 edition!
