LEADERSHIP CLINTON is a comprehensive educational program designed to reach a diverse base of emerging leaders and develop them into informed, motivated community participants. The objectives of **LEADERSHIP CLINTON** are as follows:

Program objectives include:

- To select individuals who have demonstrated leadership potential through job-related and community activities.
- To train participants by further developing their leadership skills.
- To raise awareness of the challenges and opportunities facing the City of Clinton and the surrounding area.
- To motivate participants to respond to our challenges by developing “hands-on” projects that will enhance the quality of life in Clinton.
- To provide a network of leaders in Clinton who will be actively involved in helping promote the City and be better prepared to solve the complex issues that will develop in the future.

Anyone may apply or nominate someone else for participation in **LEADERSHIP CLINTON**. Businesses, civic groups, and organizations are encouraged to nominate and sponsor candidates. The 2021 Class of **LEADERSHIP CLINTON** will consist of up to twenty participants, ages 25 and over, who either live, work or have some other relationship with Clinton that would warrant their participation in this intensive program.
