Authorize LAURA LANE

Authorizing a Broker will allow them to make changes to your account on your behalf. A message will be sent to them letting them they have been authorized.

Please select which agency you would like to work through. This can be changed at a later time by you or the Broker.

If you have an Assistor or Broker currently assigned to your account, adding a new Assistor or Broker will remove the previous Assistor or Broker.

If you are not contacted by the Broker, please follow up with them directly.
