

Holly Reeder Biography

I was born and raised right here in Sitka. My family has been a part of the business community here my whole life and taught me the value in private sector business. I pursued my bachelor's degree in Business Tourism from Arizona State University. I have lived and worked in Juneau for the past 6.5 years and decided it was time to come home. Now that I am home, I am excited for the opportunity to get involved with organizations like the Sitka Chamber and help the community.
