

2023
ANNUAL REPORT

BIGGER THINKING.
WIDER IMPACT.

LETTER TO MEMBERS & INVESTORS

Dear Greater Lafayette Commerce members and investors,

We have always believed that our region was poised for greatness, and the theme of our 2023 annual report, “Bigger Thinking. Wider Impact,” encapsulates Greater Lafayette Commerce’s willingness to push the envelope to make Greater Lafayette a great place to work, play and belong.

From supporting local businesses to attracting new investments, developing our workforce and enhancing our community’s quality of life, Greater Lafayette Commerce continues to be a pivotal force in shaping the future of Greater Lafayette.

With recent capital investments and expansions from companies such as Inari, Evonik, Toyota Tsusho, Huston Electric and Rea Magnet Wire, we were able to announce the creation of over 350 new jobs this year, with more to come.

We’ve continued to carefully cultivate a wide array of programming and events that keep our membership informed about crucial topics, facilitate meaningful connections and increase the visibility and traffic of our hard-working member businesses.

At the same time, we’ve bolstered our efforts to connect with Greater Lafayette’s Latino business community by adding a Latino Business Liaison to the team. The addition of this role to Greater Lafayette Commerce signifies our commitment to supporting the needs of all who call Greater Lafayette home.

Through a series of projects and partnerships, we’ve built upon our efforts to attract new talent to the region. We’ve increased the number of students graduating high school workforce-ready. We’ve supported and advocated for state and federal policies necessary to support a thriving economy. And we’ve helped thousands of people better their lives because of these efforts.

Greater Lafayette Commerce has made a difference – and it’s due to the work and investment of the community. But our work is not done. We ask you to remember our journey to where we are today and continue thinking bigger with us so that we can have an even wider impact.

Thank you for your support and for sharing in our vision of a Greater Lafayette with boundless potential.

Very sincerely yours,

Rachel Hazaray

THE MIDWEST'S SMARTEST WORKING REGION

Greater Lafayette is a vibrant and diverse region known for its rich blend of culture, education and industry. Home to the cities of Lafayette and West Lafayette, as well as the prestigious Purdue University and Indiana's third-largest Ivy Tech campus, the area offers a unique fusion of academic excellence and economic opportunity. With a thriving business community, beautiful natural landscapes and a strong sense of community pride, Greater Lafayette is a place where innovation and tradition harmoniously coexist, making it an attractive destination for residents, businesses and visitors alike.

Greater Lafayette Commerce understands that the success of Greater Lafayette is based upon the success of the businesses that live in it. As Greater Lafayette's trusted economic development resource, Greater Lafayette Commerce represents the interests of public and private sectors while forging connections with the diverse communities that make our region unique. Their tireless efforts in engaging, educating and promoting cooperation within our region underscore their dedication to Greater Lafayette's prosperity.

– Mayor John R. Dennis
City of West Lafayette

WASHINGTON D.C. FLY-IN

This May, Greater Lafayette Commerce hosted its first Washington DC fly-in since 2020. In total, 22 Greater Lafayette Commerce members participated in the trip, including industry partners, our federal government committee, board members and elected officials.

The visit included meetings with:

- Senator Mike Braun
- Senator Todd Young
- Congressman Jim Baird
- U.S. Chamber of Commerce
- National Association of Home Builders
- U.S. Small Business Administration
- Barnes & Thornburg LLP
- Greater Lafayette's own Brian Lamb at C-SPAN

The fly-in allowed us to relay issues important to Greater Lafayette to our federal delegation, such as:

- Transportation and rail safety
- Housing
- Immigration
- Workforce development
- Early childhood development
- Childcare
- Small business initiatives
- The CHIPS Act

TAX ABATEMENTS

Powerful tools utilized by Greater Lafayette, tax abatements help spur economic growth and attract investment to the region. Greater Lafayette Commerce acts as the liaison between local units of government and industry to land new investments and assist with compliance over the life of the tax abatement.

OTA CITY STUDENT EXCHANGE

For the first time since 2018, Greater Lafayette welcomed visitors from Ota City, Gunma Prefecture, Japan through the Ota Student Exchange Program coordinated by Greater Lafayette Commerce. The biennial exchange is designed to strengthen the bond between Greater Lafayette and Ota City - the home of Subaru. From its inception in 1998, students from Ota City have been coming to Greater Lafayette, while students from Greater Lafayette have been visiting Ota City since 2012. Engaging in a diverse array of educational and cultural activities, participants gain valuable insights into Japanese and American society.
