## ...in Economic Development

Sikeston Area Economic Development Corporation's (SAEDC) mission is to retain, expand, create and recruit new investment to Sikeston and the surrounding region by working with the diverse population, industry and businesses. The SAEDC Board is charged with directing economic development in partnership with the City of Sikeston, Sikeston Board of Municipal Utilities and Sikeston Regional Chamber of Commerce to ensure this region is prepared to market its best assets of land, buildings, cost of living, workforce and other resources to attract and retain business.

### STRATEGIC GOALS

SAEDC will now operate with investors who support new and energized industry recruitment efforts on a three-year commitment basis.

**PRINCIPALS**  
contributing  
**\$10,000**  
per year

**INVESTORS**  
contributing  
**\$5,000**  
per year

**PARTNERS**  
contributing  
**\$2,500**  
per year

**MEMBERS**  
contributing  
**\$1,000**  
per year

Investors and general membership will meet annually for updates on SAEDC projects, activities, feedback on priorities for future development and growth. General membership meetings will offer perspective and updates on Missouri Economic Development and local development.

"SAEDC membership will provide invaluable resources for any business to lead in Sikeston's growth."

**Jason Schrupf**  
President, Missouri Delta Medical Center

"Sikeston is uniquely positioned in transport, leadership and workforce to build on its success. The SAEDC will lead the way."

**Alan Keenan**  
President, Alan Wire Company
