Certificates Of Origin

The Ormond Beach Chamber of Commerce is authorized to certify Certificates of Origin for export.

A Certificate of Origin (CO) is an important international trade document attesting that goods in a particular export shipment are wholly obtained, produced, manufactured or processed in a particular country.

COs also constitute a declaration by the exporter. Virtually every country in the world considers the origin of imported goods when determining what duty will be assessed on the goods or, in some cases, whether the goods may be legally imported at all.

To determine if a CO is required, contact the Trade Information Centre of the export destination.
