The dues are set up by tiers. To find the base for your dues, first start by finding the tier with the number of employees you have in your employment (part time count as 1/2), then if you would like additional benefits (see Tier description page) you can buy up as many tiers that will benefit your business. You are in control of the benefits your company will receive.

- Membership Dues are based on number of full time employees. (2 part time employees count as 1 full time.)
- Dues must be paid in full at time of application. We offer a payment plan, contact Chamber for details.
- Membership dues may be tax deductible as a business expense. • Rates are subject to change.
