Why Take Our Food Safety Classes?

Effective

- 97% of our students pass on the first attempt!
- Our instructors are experienced and established members of the hospitality industry.

Efficient

- We offer a one-day class including exam.
- Licenses are sent to participants by mail in two to three weeks.

Inexpensive

- Our class fee is only \$95 for Tavern League members and \$125 for non-members.
- The Small Operator class is \$55 for Tavern League members and \$65 for non-members.

National Certified Food Safety Manager Class

License To obtain a National Certified Food Safety Manager License, you must pass a state-approved exam. The TLW class prepares you first, and then administers the exam the same day.

Small Operator Permit

If you currently own a valid Wisconsin CFPM License and want to proceed with a Small Operator Permit, there are certain requirements you must meet, i.e., your license cannot be expired and you must employ five (5) or fewer total food handlers, including yourself.

See the course schedule and register at www.tlw.org.

Join the Largest Association of Beverage Alcohol Licensees in the Country

Membership That Benefits Your Business

TLW Membership

Any business, located in any municipality within the state of Wisconsin which is licensed to sell beverage alcohol for either on-premise or off-premise consumption, shall be entitled to membership in this association.

Benefits:

- Get legislative support and updates on breaking legislative news that affects your business.
- Participate in the SafeRide program developed by the TLW to help eliminate drunk driving on Wisconsin's roadways. As a Tavern League member, you may offer the SafeRide program to your patrons.
- Participate in the Tavern Leagues affordable group health care plan, available for members, their employees and employees' family members.
- Participate in efforts to raise money for local charities.
- Participate in your local county's league meetings to be heard and influence local and state issues that affect your business.
- Receive the TLW monthly newsletter and On Premise magazine with coverage on issues concerning our industry, programs and TLW events.
- Attend state-wide events like our Spring and Fall Conventions,
 Legislative Day and Golf Outing. Connect with people who can take your business to the next level.
- Take part in our TLW Trade Shows for unique networking opportunities that build strong business relationships.
- Receive discounts on our Certified Food Safety Manager Classes, approved by the Wisconsin Health and Family Services and available year-round at locations throughout the state.
- Receive discounts from Affiliate members through our Members Exclusive Benefits program.
- Membership pays for itself with discounts on ASCAP and BMI music licensing.
- Save money through the TLW discounted online bartender training, worker's comp premium rebate program, low credit card processing rates, and much, much more!

A Collective Voice and Unified Network

Our legislative efforts both support and oppose efforts that impact your business. By joining, you can help ensure that your voice is heard at all levels of government and strengthen conditions for a thriving industry.

Recent Wins:

Drinks To-Go

Led the effort to permit the sale of cocktails to-go from taverns, restaurants and supper clubs.

Consignments Changes

Successfully lobbied the Wisconsin Department of Revenue to permit the return of beer to wholesalers during the pandemic.

Liquor License Fee Reductions

Worked with various municipalities to reduce or waive Class B license renewal fees in 2020.

Saferide Fee and TV Ad

Successfully lobbied for the creation of a SafeRide surcharge and use of SafeRide funds for TV ads promoting TLW SafeRide Program.

Operator License Procedure

Supported legislation to streamline the process to obtain and use an operator's license.

Fought Efforts by Small Manufacturers Infringing on Retail Tier

Defeated repeated efforts by small manufacturers to eliminate three-tier restrictions.

Five or Fewer Food Handler Exemption

Led the legislative effort to provide exemptions for small operators from increased food handling regulations.
