KICKING OFF NATIONAL FOSTER CARE MONTH WITH A BIG SURPRISE!

It was a beautiful day on May 1st at the SGAR Volunteer Days. The 2022 President's Charity, Angel's Arms, had a work day where members of our Association spent almost the entire day building a swing set for one of the deserving Foster families in Jefferson County. Donna Mitchel coordinated the volunteer team and everyone worked really hard to finish the set before the children got off the afternoon bus. President, Lynda Steiner, put her gardening skills to use making three potted plants pop on the front porch. The best part of the day was presenting a check for \$9000 to Angel's Arms on behalf of SGAR's fundraising efforts in 2022.

SO MUCH TO CELEBRATE AT THE ANNUAL AWARDS GALA

The Annual Awards Gala was an absolutely wonderful evening celebrating all our successful members. Great food, great venue, great music and the best in the industry!

Jerry Overberg was presented the first SGAR Hall of Fame award. It was a special moment for a special member.
