

# National Liquor Law Enforcement Association Conference

November 17-19, 2025

Worthington Renaissance Fort Worth. TX

## "Bridging Tradition and Innovation: Advancing Alcohol Law Enforcement for Tomorrow"

Join us as we embrace cutting-edge strategies and forward-thinking approaches to address the evolving landscape of alcohol regulation and enforcement. With emerging technologies, shifting societal trends, and dynamic policies, it's time to adapt and innovate for effective regulation and public safety.

### Conference Workshops Include:

- Alcohol Regulatory Enforcement Modern Software Solutions Case Studies
- Strategies and Partnerships to Combat Human Trafficking
- Financial Crime Investigations
- The Connection Between Alcohol Theft and Organized Crime
- TRACE - Target Responsibility for Alcohol-Connected Emergencies
- Response to Resistance Techniques
- Illegal Gambling Operations and Games of Chance
- Transformational Leadership

Find full registration details and logistics here:

## 2 Amazing Keynote Speakers

Mike Gabler is a powerful and moving "Team NEVER Quit" speaker with a passion for living his best life. By day, he is a heart-valve specialist and endovascular pioneer with 20+ years of professional experience. Gabler, as Jeff Probst called him on the show, recently won the CBS reality television show, "Survivor" (Season 43) and chose to donate his entire \$1,000,000 prize to veterans struggling with PTS (Post Traumatic Stress), TBI (Traumatic Brain Injury), and to combat the alarming rate of veteran suicide. While he never had the honor of serving in the military, it was his honor to serve those who served us.

Officer Jermaine Galloway, known as the "Tall Cop", is a nationally and internationally recognized presenter, five-time national award winner, international aware winner and resource for those involved with prevention, education, treatment and enforcement. Officer Galloway began his law enforcement career in 1997 and has more than 24 years' experience in alcohol and drug education, enforcement and prevention. As a full-time trainer, the "Tall Cop" currently dedicates thousands of hours to community scans, research and substance abuse identification in various communities across the country.
