

ACEC Ohio

Political Action Committee

2023 PAC Report

Matt Reiffer & Jim Kleingers during PAC Appreciation Lunch

2023 PAC Trustees

A Letter from Our Chair Jim Kleingers

Thank you to all the ACEC Ohio member firms that have consistently supported our PAC program over the years and especially in 2023. 57 member firms met or exceeded goal and 207 individuals in our member firms contributed to our success this year. And ACEC Ohio exceeded our National goal for the eighth year in a row. There truly is strength in numbers and I appreciate all of you!

Our PAC is a key component of our advocacy efforts for the business of engineering consulting. The National and Ohio PACs work closely with legislators to make them aware of our industry concerns and to alert them to legislative provisions that would positively or negatively impact our businesses. Your ACEC Ohio PAC Trustees annually meet

with Ohio House and Senate leadership where we hear their legislative priorities and discuss our specific industry concerns. These meetings also strengthen personal relationships that are often helpful as we deal with various legislative initiatives going forward.

I have been honored to serve you as Chair of your ACEC Ohio PAC Trustees for the past two years. I appreciate the support and efforts of the other Trustees, the staff, and our member firms. As I retire, I wish you all the best and strongly encourage you to continue to support ACEC PAC in 2024.

Thank you,
Jim Kleingers, PE, PS
2023 ACEC Ohio PAC Chair
