AMERICAN COUNCIL OF ENGINEERING COMPANIES
of Ohio

ACEC Ohio Scholarship Program

The American Council of Engineering Companies (ACEC) of Ohio is the voice of Ohio's engineering industry. Council members - numbering 150+ firms representing more than 9,000 employees throughout Ohio - are engaged in a wide range of engineering works that propel the state's economy and enhance and safeguard Ohio's quality of life. ACEC member firms employ engineers, architects, land surveyors, scientists, and other specialists, responsible for millions of dollars of private and public works annually. Member firms range in size from a single registered professional engineer to corporations employing thousands of professionals. The Council's mission is to contribute to America's prosperity and welfare by advancing the business interests of member firms.

To qualify for consideration for a scholarship, an applicant must be a full or part-time student pursuing a Construction Inspection Workforce Program (CIWP) Certificate and enrolled in a CIWP Program.

Amounts received as scholarships are excluded from taxable income if the funds are used for tuition, fees, books, supplies, and equipment required for courses.

Criteria used in selecting grant recipients are:

- GPA
- School & work references
- Work experience
- Extra-curricular & community activities
- Quality of written essay

ACEC Ohio annually awards 1 scholarship totaling \$1,500.

Scoring

Cumulative Grade Point Average: *20 points*

Essay: *25 points*

Essays must be typed or neatly printed. Points may be lost for poor grammar, incorrect spelling, illegibility, or lack of neatness. Proofread carefully.

Work Experience: *27 points*

Work experience will be limited to the last three years prior to the date of the application. List your most recent work experience first and include any jobs held during high school if within the three-year period. Indicate the year in school during which you held a particular position. Indicate if your work experience was in the form of work-study, co-op, or practicum.

Clearly identify the nature of the business of the listed employers; in particular, note consulting engineering or land surveying firms. Be complete and accurate.

List additional experience on a separate sheet and attach if necessary. The more experience you list, the higher your potential score.

Recommendation: *15 points*

A recommendation is needed from a land surveyor, college professor, or consulting engineer. Use the attached form-a letter is not sufficient.

Extracurricular College Activities: *13 points*

List all college activities including offices held and other leadership roles in any organizations. Be as complete as possible. If there are no activities, write "none". The more activities you list, the higher your potential score.
