President's Report May 2022

<u>NC Family Forward Project</u>: The Rockingham Partnership for Children presented their 5th Annual Eggs and Issues Event for the elected officials, centered around social and emotion learning. We missed a few of our officials and the Reidsville Area Foundation has set up a time for us to meet with Rep. Kyle Hall next week at his office in Raleigh to discuss our collective advocacy on family friendly practices for businesses, and the importance of addressing the healthcare gaps across the board but focused on healthy moms and children specifically.

Building Upgrades: I do plan to have small projects continue. One that was already approved by the board was a security system and cameras. We are still working with our vendors to get exactly what we want so that we can protect ourselves and our tenants. I hope to know more by the next meeting. We are also working with Matt Scearce and his company on installing LED lights in the Chamber that will save energy and be both a cost and time effective way to light the building. We currently have many problems with bad ballast and have to continue to replace lights and it is hard to find a vendor who is willing to come and do the physical work. We hope to have him present to the Executive Board in June.

<u>Reidsville Night at the Grasshoppers</u>: We sold over 300 tickets to this event, and post covid, I think it was amazing. However, due to the tornado warnings, and other things, it was not as well attended when the actual night came about. The folks who did come had a great time and we are looking forward to next time!

<u>Annual Awards</u>: This event was a huge success. Thank you to everyone who helped make it possible. We are thankful for this great group of leaders who are serving our community. If you missed this, please check out the video!

<u>Reidsville News & Views Shows</u>: We have begun recording shows again. We did three last month and have several slated for this month. We are pleased to offer this to the membership. Please let me know if you have any topic or interview ideas for this.
