President's Report March 2023

Board Updates: I am very excited to say that we set goals at the last meeting and we all in agreement. We are moving forward with those goals and creating action plans around them via the committees.

City Franchisee Event Series: This is a three-part series that is shaping up nicely. The event dates are May 18th at the Penn House, June 15th and Thursday September 21st. The first event will be a panel discussion and we will have more details to share by the next meeting.

Leadership Rockingham: This program is going to release applications in the Spring and the program will start back this fall in September. Please be thinking about anyone that you may want to recommend the program to. We need 16 to 18 participants for a successful class.

Casino Night: Casino Night was huge success! We are excited to bring that final number to you by the next meeting. It did as well as normal, so that is great news!

Topics @ Twelve: We are still looking for Topics to add but upcoming events will include active shooter training, CPR training, etc.
