

After-Hours

Purpose

Hosting a Chamber After-Hours is a great opportunity to promote your business and introduce Chamber Members (and non-members) to the products and services you offer.

General event details

- Event *typically* runs from 4– 6 PM, Chamber staff typically arrive around 3:30, expect guests to arrive any time after 3:45
- The SouthWest Metro Chamber of Commerce sells tickets to attend that involve one (1) drink ticket and “heavy apps” which can be provided in-house or catered based on ability.
- The Chamber also sells sponsorship opportunities (1+) which includes pre-marketing, logo visibility and an opportunity to share about their business offerings.
- Host will be given an opportunity to share about their business during our “Round-up”
- We like to close the event with a photograph of all who attend, preferably in front of your business sign. *Sometimes it is more effective to get a photograph of just representatives from host business.*
- We can bring our own table for sign-in and merch, **please let us know if you have a table on site we can use.**

Dates are available January - December; events are held quarterly or more often. Dates are given out on a first-come-first-serve basis.
