

CORE VALUES

Qualities that define the Leadership Jackson Program

Serve Others – Share our knowledge and experience to advance all.

Build a Stronger County – Work together to improve the county.

Cultivate Relationships – Sharing professional expertise helps all.

Advance Professional Development – Sharing the county's assets broadens knowledge.

GUIDING PRINCIPLES

Moral values that influence the Leadership Jackson Program

Commitment – Participants must treat the program with respect. Participants are expected to be committed to the program and its members.

Constructive Mindset – The program is improving constantly. Participants should demonstrate a desire to learn and consider multiple points of view.

Code of Honor – All participants must act with honesty and integrity whether to your fellow classmates or anyone in your professional life.

Class of 2023 - Public Safety Day

Class of 2018 - Agriculture Day
