WELCOME TO MANHEIM

Yours To Love

Founded in 1762 by Henry William Stiegel and named after Mannheim Germany, Manheim is a historic small-town with a renewed creative energy. We have a lot to celebrate as we observe our 260th birthday in 2022. For decades, and even centuries, Manheim has been known for glassworks, farming traditions, our football prowess and the auto auction. With the recent addition of artists, entrepreneurs, restaurateurs and winemakers, we have even more to share with you. Just outside of town, enjoy nationally known attractions and a vibrant countryside.

Must see downtown Manheim attractions include: The Keath House and The Fasig House, two beautifully restored log homes and the Stiegel Glassworks at the Historic Train

Station. You'll also find cozy cafes and unique retail and artists' experiences within easy walking distance of our historic Market Square.

Just outside of town, tour a working dairy farm and climb a 100 foot silo observation tower at Kreider Family Farms, enjoy award-winning PA wines at Waltz Vineyards Estate Winery & Tasting Room and experience the Pennsylvania Renaissance Faire. On Tuesdays, stop by Root's Country Market and Auction, the oldest single family-run country market in Lancaster County. Manheim is also home to Spooky Nook Sports, the largest indoor sports complex in the country.

Make your way to this historic small town for a getaway you'll be sure to remember.
