Perks of being a vendor in our Virtual Home Show

Perk #1 Showcase Business Information

Your business information will be featured online. You can feature employees and promotions in your virtual booth area, capture your potential customers with a video about your business, and anything else you would like to share. Gain social media followers by linking to your various social media platforms from your virtual booth. It's a great way to get your information out to a number of potential customers, all in one place!

Perk #2: 24/7 Exposure

Potential customers looking for your service can find your information on our home show website 24/7, 365 days a year! It's the best bang for your buck when the cost is significantly less than a traditional home show. People looking for a service like yours can find you in one place for all of their home and business needs!

Perk #3: Company name listed in SICBA Home & Garden Show Book

15,000 copies of the SICBA Home Show book will be distributed throughout the Skagit and Island Counties and in the hands of potential customers. Your \$200 virtual vendor booth guarantees your company name listed in the official Home Show Book.

Perk #4: No Time Working a Booth

Many times, at a traditional home show booth, you need to at least have one staff member manning the booth. Save your employee time by participating in our virtual home show. You won't need anyone to work your booth and it's open every day of the year!

Perk #5: Virtual Sponsorship Opportunities

You have the opportunity to get added exposure by becoming a virtual sponsor! All sponsorships are open to SICBA members only. If you are interested in becoming a SICBA member, please call the SICBA office at 360-757-6916.

Perk #6: Gain Leads

In addition to information about your business, a form to request information can be available. Potential customers can reach out to YOU for additional information about your services they may be interested in. It's an easy way to gain leads like you would during a traditional home show!

INSTRUCTIONS FOR SUBMITTING PROJECT OF THE YEAR ENTRIES.

To: Project of the Year Applicants

In an effort to standardize entries for Project of the Year, the following has been adopted to help make entries for this award easier for our members and for the judging panel to choose the winner in each group.

SICBA will provide you with a folder to be utilized for your entry into the Project of the Year competition. It is made up of 4 inner pages available for your use. Should you choose not to use this folder, please provide your own set up in the same manner.

On the inside cover: This page is for your application as attached.

Page 2: Glue the photographs of your project on this page. These photos may also be enclosed in document protectors and attached to the proper page if you desire.

Page 3: More photographs, plot plan, floor plan or other pertinent material.

Page 4: Your narrative of the project from start to finish. This can be more than one page and is your chance to “sell” your project.

You may send more information than what is listed above but please keep in mind that what is listed is what will be looked at the most for selection by the panel.

Do not include any information you will want returned to you. Once your entry has been received at the SICBA office, it becomes the property of SICBA and will not be returned to you. The only exception would be any additional information you might choose to provide for the competition. In this case, it will be your responsibility to pick this up after the awards are given to the winners in May.

All entries are sent to another builders association in the state for adjudication. This rotates through the other 14 associations annually and is not disclosed until after the selections are made.
