COMMITTEE REPORTS

Home Tour Committee update: *Chair is Curtis Banta*

Do you have a home for the September 2022 Home Tour? Do you have ideas to make this next one the best? Our goal is to have homes across the total cost spectrum so we can provide examples of what is available to those in our communities who could afford a home in whatever financial category they might be a part of. We are always open to adding people to our committee.

Marketing Committee update: *Chair is open*

Are you keeping your Company information updated on the SICBA Website so people can find you? The Membership Directory Goldmine is out. This is an amazing Marketing tool to other members so make sure you are keeping everything updated. Tag and share on social media! If you have any social media content that you want shared to members, email pam@sicba.org! The content can be videos, pictures, recent projects finished, any specials you are offering, etc.! Email Pam your content with a photo caption that you want her paste with it.

Golf Committee update: *Chair Joel Pasek*

Save the Date!! The 38th annual SICBA Golf Tournament will be on July 29th, 2022 at Avalon.

Events Committee update: *Chair Kim Piazza*

The Kickoff to the SICBA Home and Garden Show was well attended. Stella Sopra was the food provider for the event and it seems the food was good according to most who attended. Our next event will be April 19th at Skagit Acres. Mark you calendars for our May 17th SICBA Awards Dinner where we will be recognizing all the good work of those members who have been involved in SICBA during 2021. The categories will be Builder of the Year, Associate of the Year, Volunteer of the Year, Committee Chairperson of the Year, Rookie of the Year and a few others. The SICBA office will be sending out nomination forms for you to use in nominating your candidates for these prestigious awards. Please mark them and get them back to SICBA right away so the ballot can be sent out as well.

Home and Garden Show Committee update: *Chair Robert Desmarais*

The Home and Garden Show proved to be a great success! Even though it was smaller than before – and possibly smaller than we really wanted – it turned out to be a real hit for the vendors and most of the attendees over the weekend. We did have some complaints about not enough gardens were represented – but that is what happens when coming out of a pandemic and having the first large event north of Seattle since mask mandates were lifted. We will be having our wrap up meeting in a few days to discuss the show and to start working on next year's. If you would like to be on the committee that will make next year's show the very best, contact Pam at pam@sicba.org and she will get you listed in her committee email book.

***If you are interested in joining a committee, let us know! We are always looking for more SICBA members to join and give their input, your voice matters. Email pam@sicba.org to find out which committee is right for you! *** If you are interested in the Membership Committee, email Shannon at shannon@sicba.org.

ON THE LIGHTER SIDE

An acquaintance who is a physician was taking her 4-year-old daughter to pre-school. On the way, the doctor left her stethoscope on the car seat. Her daughter picked it up and started playing with it. "Be still my heart" thought the doctor – "my daughter wants to follow in my footsteps!" Then the child spoke into the instrument; "Welcome to McDonalds, may I take your order?"

A Sunday School teacher asked her little children as they were on the way to church service; "And why is it necessary to be quiet in church?" One bright little girl replied; "Because people are sleeping."

EXCERPTS FROM A 6TH GRADE TEST:

Julius Caesar extinguished himself on the battlefields of Gaul. The Ides of March murdered him because they thought he was going to be made king. Dying, he gasped out: "Tee Hee, Brutus."

It was the age of great inventions and discoveries. Gutenberg invented removable type and the Bible. Another important invention was the circulation of blood. Sir Walter Raleigh is a historical figure because he invented cigarettes and started smoking. And Sir Francis Drake Circumcised the world with a 100-foot clipper.

The Greeks were a highly sculptured people, and without them we wouldn't have history. The Greeks also had myths. A myth is a female moth.

Delegates from the original 13 states formed the contented Congress. Thomas Jefferson, a Virgin, and Benjamin Franklin were two singers of the Declaration of Independence. Franklin discovered electricity by rubbing two cats backwards and declared, "A horse divided against itself cannot stand." Franklin died in 1790 and is still dead.

Johan Bach wrote a great many musical compositions and had a large number of children. In between he practiced on an old spinster which he kept up in his attic. Bach died from 1750 to the present. Bach was the most famous composer in the world and so was Handel. Handel was half German half Italian and half English. He was very large.

Ancient Egypt was inhabited by mummies and they all wrote in hydraulics. They lived in the Sarah Dessert. The climate of the Sarah is such that the inhabitants have to live elsewhere.
