

# News & Notes from PACC

September 2023

## Fall is here!

Greetings from the Phillips Area Chamber! I hope you've been able to enjoy our beautiful fall colors and the little bit of a cooldown we've had lately. Fall has continued to be busy for us, with fall color viewers and bird hunters stopping by the office. We've been working on the upcoming Fall Harvest Festival (see you October 7 in Downtown Phillips!) and had a successful September golf outing. Some wonderful volunteers have stopped in to help us bag up craisins, too! (So yes, craisins are in at the PACC office & will be available at Harvest Fest!)

*-Laura Palzkill, PACC Executive Director*

# PHILLIPS ON TAP 2023

## THANK YOU TO EVERYONE WHO JOINED US FOR THE 2ND ANNUAL PHILLIPS ON TAP!

We were thrilled at the turnout for this year's event. It was even bigger and better than last year. If you didn't make it, you missed out!

- **Big Crowd!** *We had an estimated attendance of approximately 1500!*
- **More Breweries!** *We welcomed 8 breweries from around the state plus wine by The 5 Senses of Phillips!*
- **Bigger Tent!** *To accommodate the bigger crowd and more breweries, we more than doubled the size of our Taproom Tent!*
- **Great Music!** *Pacific Coast Highway rocked the park!*
- **Fantastic Food!** *There was something for every taste, with 9 local food vendors and nonprofit organizations.*

And, most importantly, we raised funds to be used toward PACC services, helping us to fulfill our mission: to support and promote our local business community and resources, create connections, and advance our area as a vibrant community where people live, work, and play.

**Huge thanks go out to our wonderful volunteers and amazing sponsors, for making this and our other events possible!**
