Share Your Company News!

We want to hear from you! Has your company recently won an award? Have you been recognized for a special achievement? Or maybe you've switched locations or have an upcoming event! We want to share your news with other Chamber members to give you more exposure and free publicity for your accomplishments. We will only share for TWO (2) weeks prior to the week of your event. *This feature is not for solicitation of sponsorships of sales of products and services. Promotion is only for Chamber members. We will promote and share your news on our Chamber media platforms, where applicable (catskills.com, social media, and or newsletter.)

Here's what to do … Briefly tell us who, what, when, where and why! Also, if you have a flyer, include a link to it so we can share it as well.
