BBB TIP: WATCH OUT FOR AIRFARE SCAMS WHEN BOOKING YOUR NEXT TRIP

With the COVID-19 vaccines rolling out, travel is coming back. That's great news for summer vacation plans... and scammers. [BBB Scam Tracker](#) is receiving reports of con artists creating fake airline ticket booking sites or customer service numbers. **If you are buying airfare, use caution and double check the URL or phone number before providing your credit card information.**

How the Scam Works

While doing an online search for cheap flights, you come across what seems like a great deal with a major airline. You book the flight—either through the website or by calling a customer support number—and receive a confirmation message. However, when you look more closely at the email, you notice that you never actually received your ticket.

In another version of this scam, you book a flight on a travel website offering deals on airfare. You pay with your credit card like normal. **But shortly after making the payment, you receive a call from the company saying that there's been a sudden price increase or an extra charge to finalize your booking. This is something a legitimate company would never do!**

In either case, you call the airline to follow up about your flight. After talking to an agent, you find that they have no record of your booking. It turns out you accidentally purchased tickets through a scam website or a phony customer service number. One victim told [BBB Scam Tracker](#): "I received a phone call right after [I booked the flight] stating that they wanted \$100 per passenger to finalize my flight." Then, after calling the airline to complain, the victim discovered that "the flight wasn't available to begin with. The flight was never booked... this company just charged my card."

How to Avoid Travel Scams

- **Do your research.** If you come across a company you haven't dealt with before, research it before making any purchases. Look on [BBB.org](#) for reviews and feedback from previous customers.
- **Double check the URL before you enter personal and payment information.** It can be easy to click on a sponsored ad or imposter website without noticing. Before you enter any sensitive information, double check that you are on the right website and that the link is secure. (Secure links start with "https://" and include a lock icon on the purchase page. Learn more at [BBB.org/BBBSecure](#).)
- **Be wary of third-party websites. Some websites appear to offer a legitimate service but are only fronts for a scam.** Be suspicious of websites with no working customer service number and no physical address. Typos and grammatical errors can be indications of a scammer's handiwork, too.
- **Make online purchases with your credit card.** Fraudulent charges made on a credit card can usually be disputed, whereas that might not be the case with other payment methods. Unfortunately, there is no way to get back the personal information you may have shared.

“LUCK HAS NOTHING TO DO WITH IT, BECAUSE I HAVE SPENT MANY, MANY HOURS, COUNTLESS HOURS, ON THE COURT WORKING FOR MY ONE MOMENT IN TIME, NOT KNOWING WHEN IT WOULD COME.”

Hilltop Energy Inc.

"Helping You Break New Ground"

"Helping You Break New Ground" is our operating philosophy. Throughout the last 70 years we have witnessed explosive manufacturers and their proprietorships come and go. This trend still continues today; and as an independently owned company this trend has allowed us to distribute and evaluate just about every product in the market.

In that time we have learned a lot about explosives. One thing is this – once in a while a substandard product is introduced into the market; it doesn't last long. What is available to the customer is all pretty good product – "it all goes off". Secondly, it all costs just about the same. The difference is service; we strive to provide the customer maximum benefit for their energy dollar-

Restaurant Revitalization Fund

This program provides emergency assistance for eligible restaurants, bars, and other qualifying businesses impacted by COVID-19.

The restaurant industry has been among the hardest-hit sectors during the economic downturn caused by the COVID-19 pandemic. To help bring jobs back and revive the industry, the American Rescue Plan established the \$28.6 billion Restaurant Revitalization Fund at the U.S. Small Business Administration (SBA). The program has been targeted to make it a priority to reach the hardest-hit small restaurants.

For the first 21 days that the program is open, the SBA will prioritize reviewing applications from small businesses owned by women, veterans, and socially and economically disadvantaged individuals.

1. Get the program details.

Get the program details such as eligibility, funding amount, allowable use of funds and more. If you haven't already, sign up for RRF email updates. **[CLICK HERE FOR ALL INFO ABOUT RRF](#)**

2. How to prepare.

Currently, SBA is not accepting applications for RRF. However, you can prepare your application by reviewing the sample application, program guide and cross-program eligibility chart on SBA COVID-19 relief options. You will be able to apply through SBA-recognized Point of Sale Restaurant Partners or directly via SBA in a forthcoming online application portal. Registration with SAM.gov is not required. DUNS or CAGE identifiers are also not required.

[CLICK HERE TO PREPARE NOW](#)

3. When to apply.

The official application launch date will be announced shortly. Ahead of the application launch and over the next two weeks, the SBA will establish a seven-day pilot period for the RRF application portal and conduct outreach and training on how to apply, application requirements and where to apply. Participants in this pilot will be randomly selected from existing PPP borrowers in priority groups for RRF and will not receive funds until the application portal is open to the public. Following the pilot, the application portal will be opened to the public. For the first 21 days that the program is open, the SBA will prioritize reviewing applications from small businesses owned by women, veterans, and socially and economically disadvantaged individuals. Following the 21-day period, all eligible applicants are encouraged to submit applications.

Educate, Encourage, Empower

(e) ministrydirabigail@gmail.com

Dear Friends of Abigail,

This year's Walk for LIFE is a celebration of Abigail Pregnancy Services' over 30 years of LIFE changing work in our community. Because of social distancing and our desire to keep supporters safe, we have decided to reimagine our annual Walk for LIFE by having a **hybrid** event: you may participate in person on May 22, 2021 in uptown Norwalk, or you may participate virtually by walking at your leisure and getting sponsors in by May 31.

No matter how you choose to participate, you can become a life-saving walker by raising pledges. You can register online at friendsofabigail.com by following the link on the events tab. Or get sponsors in person by using your included pledge form. Having sponsors send a check to Abigail Pregnancy Services at P.O. Box 68, Norwalk OH 44857, **with your name and Walk for LIFE in the memo** is an easy and safe way to get those pledges in if they do not want to use online payment options. Bring all completed pledge forms with you to the Walk on May 22, or mail them to our office by May 31.

Your participation this year is crucial to us. This walk for LIFE is a major fundraiser for Abigail Pregnancy Services. Last year, we were able to raise over \$20,000 to help keep the pregnancy center running. With your help, we hope to raise much needed **funds** to provide assistance and direction for families who need pregnancy related support or who are struggling to raise their babies. We also hope to raise community awareness of the life-affirming services we offer.

Thank YOU for answering God's call to help His precious children. Whether you walk, pray, volunteer or give a donation for this event, you are partnering with us to make LIFE a beautiful choice! If you have any questions about the Walk for LIFE, please contact us by emailing ministrydirabigail@gmail.com, or call and leave a message at 419-668-9500.

Proceeds from this event will help fund our signature project, the **Erie County Imagination Library**, which provides free books every month to over 2,200 Erie County children from birth to five years old, regardless of income!

There are three ways you can help...

1. Hole Sponsor - \$125

As a hole sponsor you or your business will have a sign posted at one of the holes for all our golfers to see. Your support will also be listed in our program and recognized on Facebook. **Book a team and pay only \$100 for as a hole sponsor!**

2. Sponsor a Team - \$320 New location at Thunderbird Hills Golf Course in Huron!

Sponsor a team for your business or organization and enjoy the day! Registration with payment is due by May 3, 2020 to insure a tee time is reserved for your team. No refunds unless event is cancelled. (May exclude credit card processing fees.)

3. Lunch Sponsor - \$500

This sponsor will receive recognition in our program, signage the day of the event, recognition on our Facebook page, and a hole sponsorship. Our golfers will also appreciate your generosity! **Only one sponsorship available.** Boxed lunches made by Creative Cuisine.
