Red Cross Responds to Two Sandusky Home Fires

Sandusky, Ohio, Feb. 14, 2022 — The American Red Cross of North Central Ohio responded to two home fires in Sandusky on Saturday. The first fire occurred early Saturday morning and the second fire happened on Saturday evening. In each fire, the Red Cross helped one adult and two children living in the home that burned.

The Red Cross provided assistance, such as temporary lodging, food and clothing for the immediate needs of those affected. Red Cross volunteers will continue to help the those affected, providing recovery assistance, resources and referrals to community partners.

HOME FIRE SAFETY There are several things people can do to protect themselves and their loved ones from fires. They include:

- Installing smoke alarms on every level of the home, inside bedrooms and outside sleeping areas. Test them every month and replace the batteries at least once a year.
- Developing a fire evacuation plan with all members of the household and practicing it several times a year, at different times of the day.
 - Include two ways to get out of every room and consider escape ladders for sleeping areas or homes on the second floor or above. Pick a place outside for everyone to meet and make sure everyone knows where it is.
- Removing any fire hazards from the home.

RED CROSS APPS People can download the all-inclusive Red Cross [Emergency](#) app which combines more than 35 emergency alerts to help keep the user safe. And there is a special mobile app -Monster Guard - designed for kids, teaching them to prepare for emergencies at home by playing an engaging game. Users can find the apps in smartphone app stores by searching for the American Red Cross or going to redcross.org/apps.

WHAT PEOPLE CAN DO People can visit redcross.org/homefires to find out more about how to protect themselves and their loved homes from fire. People can help by donating to Red Cross Disaster Relief by visiting redcross.org, calling 1-800-RED CROSS or texting the word REDCROSS to 90999 to make a \$10 donation. Donations to Disaster Relief will be used to prepare for, respond to and help people recover from disasters big and small. We respond to an average of more than 62,000 other disasters every year, from home fires to wildfires and more.

The American Red Cross North Central Ohio Chapter is a United Way partner.

Dear Community Member,

Chartered in 1919, the Kiwanis Club of Sandusky has been one of the most active service clubs in Erie County. Committed to improving the world one child and one community at a time, we are a club filled with caring, fun, and dedicated men and women, many of whom are your neighbors!

The Sandusky Kiwanis members are active in our community and listed below is a sampling of their favorite local organizations for which they volunteer their time and resources:

- ODOT Highway Cleanup
- Erie County Dept. of Jobs & Family Services
- Friends of Pipe Creek
- Habitat for Humanity
- Salvation Army
- Sandusky Library
- Lake Erie Aktion Club
- United Way of Erie County
- Sandusky Central Catholic Builders Club

We are currently planning our **19th Annual Golf Scramble**, of which the proceeds will benefit our signature project, ***The Erie County Imagination Library***. Your support in this endeavor is crucial to our mission to introduce this early literacy program created by the Dolly Parton Foundation. Currently we support over 2,300 local children from newborn to five years old in all communities of Erie County. Each child receives a book every month in the mail, and parents, regardless of income, can sign their child up for free. Fundraisers like this golf scramble ensure that we can continue our efforts to grow the program and help us sustain its success.

Sandusky Kiwanis would also like to extend an invitation for you to join us at one of our weekly meetings held at the American Legion, Post 83 on Hayes Avenue in Sandusky. We meet at 5:30pm the first Wednesday of every month, and from 12:00pm to 1:00pm on the remaining Wednesdays. (Virtual options are available for most meetings, and safety protocols are observed for in-person meetings.) Be our guest to learn more about our club members, community involvement, and fun atmosphere! Give me a call or send an email if you are interested.

In the meantime, I hope that you will consider supporting our upcoming Golf Scramble. The enclosed flyer outlines all of the opportunities available to help make this event a success. Thank you for your consideration!

Best Regards,

Dear Friends and Community Supporters,

We are very blessed and honored to live in Erie County. Over the last several years we have seen the rebirth of downtown Sandusky, and now with your help, we have the opportunity to revitalize one of our neighborhood organizations, the Heartbeat Pregnancy Center.

Heartbeat Pregnancy Center improves access to high-quality childcare by offering services to help families during crisis and non-crisis pregnancies and beyond. They accomplish this by offering emotional support, material assistance, support in clarifying future direction, and help in relieving stress during difficult times. Heartbeat Pregnancy Center helps families of Erie County grow in self-awareness and formulating positive, healthy future goals.

Our committee from the 2022 Class of Leadership Erie County has partnered with Heartbeat Pregnancy Center in their mission to support and educate young mothers in Erie County, Ohio and their babies. The majority of these new mothers are 12-17 years old and rely on the center for their services. This committee is seeking to assist Heartbeat with two initiatives.

1. Assist with purchasing lactose-free and/or sensitive baby formula to supplement as mothers await enrollment into the WIC program. It generally takes two weeks after birth for the WIC services to start. Both the sensitive formula and premium formula are more expensive, and therefore, are not usually donated to Heartbeat from other sources. Our committee would like to provide funding for one year's worth of special formula, estimated at \$5,000.00.
2. Assist with the purchase of items Heartbeat would like to use to provide mothers a safe location to relax and socialize with other mothers. In order to accomplish this, the center is in need of donations/purchases of food and refreshments, along with other supplies to allow the mothers to feel at home.

With your help, together we can ensure that newborn babies have the proper nutrition they need and that their young mothers have a safe and comfortable place to revitalize and socialize. Will you join us in this effort?

Thank you for your consideration!

Dear Potential Sponsor,

At Ability Works, we have served individuals with disabilities in our area for over 45 years by providing day services, homemaker/personal care services, transportation, employment services, and a Sensory Space.

We will be hosting our first Annual Golf Fundraiser May 21st, 2022. Our goal is to raise enough money from sponsors like yourself to put on the event and allow 100% of registration fees to go directly towards Ability Works!

We cannot meet our goal without the help of the community. Would you please consider being one of our sponsors to help make this event a success? There are several sponsorship opportunities available outlined in this packet.

Thank you in advance for your support and we'll see you at the first Annual Ability Works Golf Fundraiser!
