604 W. WASHINGTON STREET, SANDUSKY, OH 44870
(419) 625-6421 ERIECOUNTYCHAMBER.COM

Dear Chamber Member,

Many businesses have taken advantage of our free bill review and we wanted to take this opportunity to share some of their stories with you.

- A small community church was not aware that both their gas and electric agreements had expired and were now on variable rates more than double market rates. They were also paying sales tax on their natural gas bill even though they should be 100% exempt. They decided to sign up with the Chamber Energy Program and saved an estimated \$5,000 annually.
- A restaurant unfortunately had signed an agreement at a higher-than-market rate prior to sending their bill for a review. The Chamber Energy Program team will help to monitor when it's time to renew and help them to secure competitive rates when their contract is up.
- A home owner sent in their bills and were on a high variable rate because they were not aware that their contract had ended. The Chamber Energy Program was able to offer a lower rate which they chose to secure for 60 months, ultimately providing them long-term protection. They saved an estimated \$1,200 annually.
- After reviewing bills for a home-based business, we found they were in long-term contracts at great rates. We recommended they stay on these low rates and will reach out to them when it gets closer to renewal to ensure they don't move to a high month-to-month variable rate.

Whether you are on the standard utility rate, in a government aggregation program, or are in a supply contract, we encourage you to take advantage of our utility bill review to check your rate and ensure you are not overpaying.

This service is free to Chamber members. Simply email your electric and natural gas bill to billreview@ceateam.com or fax them to 330-721-8111 Attn Chamber Energy Program.

Red Cross responds to multiple weekend home fires

SANDUKY, Ohio (March 14, 2022) — The American Red Cross of North Central Ohio responded to three home fires in Sandusky on Saturday, helping several families.

The Red Cross provided assistance, such as temporary lodging, food and clothing for the immediate needs of a total of five adults and one child. Red Cross volunteers will continue to help the those affected, providing recovery assistance, resources and referrals to community partners.

HOME FIRE SAFETY There are several things people can do to protect themselves and their loved ones from fires. They include:

- Installing smoke alarms on every level of the home, inside bedrooms and outside sleeping areas. Test them every month and replace the batteries at least once a year.
- Developing a fire evacuation plan with all members of the household and practicing it several times a year, at different times of the day.
 - Include two ways to get out of every room and consider escape ladders for sleeping areas or homes on the second floor or above. Pick a place outside for everyone to meet and make sure everyone knows where it is.
- Removing any fire hazards from the home.

RED CROSS APPS People can download the all-inclusive Red Cross **Emergency** app which combines more than 35 emergency alerts to help keep the user safe. And there is a special mobile app -Monster Guard - designed for kids, teaching them to prepare for emergencies at home by playing an engaging game. Users can find the apps in smartphone app stores by searching for the American Red Cross or going to redcross.org/apps.

WHAT PEOPLE CAN DO People can visit redcross.org/homefires to find out more about how to protect themselves and their loved homes from fire. People can help by donating to Red Cross Disaster Relief by visiting redcross.org, calling 1-800-RED CROSS or texting the word REDCROSS to 90999 to make a \$10 donation. Donations to Disaster Relief will be used to prepare for, respond to and help people recover from disasters big and small. We respond to an average of more than 62,000 other disasters every year, from home fires to wildfires and more.

About the American Red Cross:

“SANDSATIONAL” Celebration - May - August

We are looking for sponsors for the gigantic, larger-than-life, sand sculpture coming to Sandusky Mall's Center Court this summer! We are celebrating some of the attractions that make our community a wonderful place to love, live, work and play! Please contact Samantha Jeremay, Marketing Director, at the Sandusky Mall if you are interested in being a part of this phenomenal structure!

Thank you to
BAM
for continuing to
donate books to our
Little Free Library!

The Sandusky Mall proudly hosts a Little Free Library

Located at the Children's Play Area entrance, near Center Court.

Take Books. - Anyone may take a book. Books are always free. (Returning books in a timely manner for others to enjoy, is greatly appreciated).

Share Books. - **Book donations (especially children's books) are needed and welcomed** at this Little Free Library. They can be of any appropriate nature for the public and children. Please drop off at the **Security Booth** or the **Mall Office**. We appreciate your help in maintaining this free community project!

Building community, inspiring readers, and expanding book access for all.
