Erie County Will Get In the Game

Last week's election results will impact Erie County and the entire state of Ohio, and they were only the federal part of the story since redistricting issues will push the state district races to later this summer.

However, the winners this past week are known and new, and as a business community we need to ensure that they know and understand local needs and business issues.

Starting with our annual meeting and going thru to November we will be inviting candidates in a non-partisan way to events and discussions with all of you, at all levels of government.

Please watch for those opportunities and join us.

The first opportunity is at our Annual Meeting on June 22nd. All attendees must RSVP/pay. Please click the button below to register/pay before June 6th.
