Hello,

My name is Taylor Radloff and I am with Erie Inspection Service. We are members of the Chamber and recently had exciting news that we thought might be worth sharing.

Last week, our President, Todd Radloff, was reappointed by Governor Mike DeWine to the Ohio Home Inspector Board. He is one of five inspectors in the state on the board and is responsible for the state licensing that recently came in to effect in Ohio.

We are extremely proud of him and thought this might be something worth sharing in the Chamber newsletter or on social media. Please let me know if this is something the Chamber would be open to sharing. For reference only, I have attached the press release.

Thanks in advance!

-Taylor

FOR IMMEDIATE RELEASE

Ohio Governor Mike DeWine reappoints Erie Inspection Service President, Todd Radloff, to the Ohio Home Inspector Board

- *Todd will continue to serve on the board based in Columbus to help create and uphold standards and ethics in the home inspection industry*
- *The reappointment is for a five-year term (extended to 2027)*

May 12th, 2022 – Today, Erie Inspection Service Inc. announced that President, Todd Radloff, has accepted and completed the reappointment by Governor Mike DeWine as a member of the Ohio Home Inspector Board. Todd is one of five inspectors in the state on the Board and was first appointed in 2021. With this reappointment, his term is extended to 2027 (five-year term).

The [Ohio Home Inspector Board \(OHIB\)](#) was formed as part of Senate Bill 255 and was signed into law on January 4th, 2019. The board exists within the Division of Real Estate & Professional Licensing and seeks to regulate the licensure and performance of home inspectors. In addition to overseeing licensing, the board adopts rules relating to standards, ethics, training, and experience of home inspectors in the state.

Along with the formation of the Ohio Home Inspector Board, Senate Bill 225 required licenses for individuals wishing to perform home inspections in the state. Before this, there were no minimum standards for home inspectors in Ohio.

Company Statement: “We are extremely proud and excited to see Todd recognized as a leader by Governor DeWine. Todd is honored to continue to serve the State of Ohio and will seek to improve the standards and quality of the industry.”

About Erie Inspection: For more than 33 years, Erie Inspection Service has been educating and protecting home buyers during one of the biggest purchases of a lifetime. Founded in 1989, the company performs home and commercial inspections throughout Northern Ohio and Southeastern Michigan.
