MARK MESZOROS | WEDNESDAY, FEBRUARY 28, 2024

[Toft Dairy](#) isn't waiting to turn the big 1-2-5 to shake things up a bit.

It's mooooooving now.

"And through that rebranding process, we really tried to incorporate our cow more and try to let people know who she is and where she came from."

Greater Cleveland

COSE

MEDICAL MUTUAL

The Erie County Chamber of Commerce has partnered with the Council of Smaller Enterprises (COSE) and Medical Mutual to offer a new type of health insurance coverage for our member businesses, titled the Multiple Employer Welfare Arrangement (MEWA). This coverage is available for businesses with 50 or fewer employees, including business owners with no employees.

What the COSE Benefit Plan Offers:

Attract & Retain Talent

Ensure your most valuable employees are satisfied with both their job and their compensation package to increase longevity and retention.

Gain Tax Savings

Employers and employees pay less for health insurance when it is purchased at a group level because it is paid for with pre-tax dollars.

Network Access Benefits

Group health plans often have access to large networks of doctors and hospitals compared to an individual plan on the public exchange.

Get Broker Help

A broker can guide you through the process and help you find the best health plan for you and your employees.

One-Stop Shop

Dental, vision, group life, accidental death and dismemberment insurance and short-term disability can be added to your health insurance plan.

Cost Savings

In addition to health insurance, as a Chamber member, you can take advantage of savings on electricity and natural gas, office supplies, workers comp and more.
