

Member Directory Use Policy

From [International ACAC's Policy & Procedure Manual](#)

International ACAC maintains a membership directory (hosted on the Association's website) for the use of its members. Members are responsible for maintaining the accuracy of their own membership profile.

Information in the directory is meant for individual use by current members only. Members are asked not to create mailing lists for their institutions or organizations to send unsolicited or mass emails to members. Failure to adhere to this directory use policy could result in disciplinary action, at the discretion of the Executive Board.
