# Get the Chamber Connection

## Boost Your Business Wednesday, June 9th

8:30 am - 9:30 am

BACK IN PERSON!

This month we are excited to bring Boost Your Business back in person.

The meeting will be at Huntington Bank, located at:  
226 3rd St, Marietta, OH 45750

Featured Speaker: Josiah Partin, owner of The Valley List

Topic: Marketing or Malice?

I enjoy working with clients to help discover what they need and create the best solution. It's important to make the best impression with a finished product for each client. I really enjoy this type of work as I make new and awesome projects come to life for clients with a dream.

Originally born in San Diego CA, and finding my way to Marietta OH, I graduated from Washington State Community College in 2011 with a degree in Digital Technology and Support. I like to have a healthy attitude and incorporate my creative nature into finding new and better ways to do things.

## Business After Hours Thursday, June 3rd

5:00 pm—7:00pm  
Building Bridges to Careers

## Professional Women's Roundtable Tuesday, June 22nd

12:00 pm—1:00 pm  
Featured Speaker:  
To Be Determined

## Coffee Chat Friday, June 25th

8:30 am - 9:30 am  
Via Zoom

Contact [info@mariettachamber.com](mailto:info@mariettachamber.com) for the login information.

## Announcing our new Office Manager... Victoria Freeman Powell!

Victoria received her associate degree in Business Administration from Rio Grande in 2015. She has an administrative background in both the environmental science and healthcare industries. Victoria is a transplant from Racine, Ohio and a lifelong resident of the Mid-Ohio Valley. She is a self-described artist, dog lover, and breakfast enthusiast.

Victoria lives in Marietta with her husband, John, their two dogs, and a cat who recognizes no ownership.

# Ambassador Visits

*This month our Ambassadors visited the new offices of Mary Segrest of Edward Jones and the Zanesville Welfare Organization and Goodwill Industries.*

Laurie Nicholson of the Marietta Training Center & Laura Miller of Settler's Bank

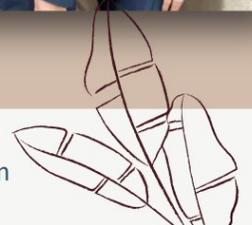

Mary Segrest of Edward Jones & Laura Miller of Settler's Bank

## Become an Ambassador!

The Ambassadors are a prestigious group of Chamber members who represent MACC and support the economic growth and development of the Mid-Ohio Valley. Ambassadors serve as key liaisons between the Chamber and the business community by being our "eyes and ears." They work to increase membership, improve member retention, strengthen awareness of chamber benefits and assist with MACC events. Being an Ambassador not only helps us, but helps each Ambassador get to know area business leaders and better understand their community.

To learn more about the program and to apply, email [Jada Riley](mailto:Jada.Riley@mariettachamber.com) at [membership@mariettachamber.com](mailto:membership@mariettachamber.com)

# Hall Financial Advisors joins Raymond James Financial Services

After many years of due diligence, intense planning and preparation, the team at Hall Financial Advisors is extremely excited to announce that we parted ways with Wells Fargo Advisors Financial Network on February 3, 2021 and joined Raymond James Financial Services on February 4, 2021.

Our reasons for this change are many, but most importantly we feel our relationship with Raymond James Financial Services best positions us to most effectively deliver the high-quality personalized service and investment management our clients have come to know. The decision to change was heavily influenced by our passion to help our clients achieve and exceed the goals and dreams they have entrusted with Hall Financial Advisors. With enhancements in technology, quality service in financial planning and comprehensive money management; coupled with our team's commitment to provide unparalleled service, we are extremely confident and proud to make this public announcement.

For the past couple of months, the team at Hall Financial Advisors has worked tirelessly to fulfill our commitment to our clients and transition our book of business to Raymond James. We will continue to dedicate our energy and resources by taking excellent care of client finances, goals and dreams.

## *The Hall Financial Advisors Team*

*Raymond James Financial Services does not provide legal or tax advice. Any estate plan should be reviewed by an attorney who specializes in estate planning and is licensed to practice law in your state.*

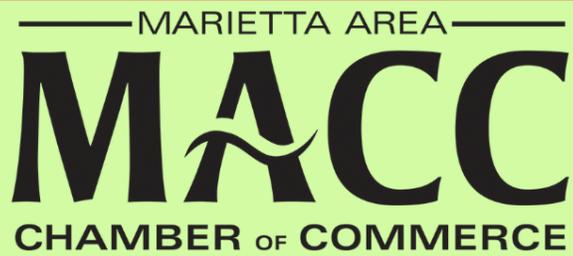

Securities offered through Raymond James Financial Services, Inc., member FINRA/SIPC. Investment advisory services offered through Raymond James Financial Services Advisors, Inc. Hall Financial Advisors is not a registered broker/dealer and is independent of Raymond James Financial Services. Raymond James and its advisors do not offer tax or legal advice. You should discuss any tax or legal matters with the appropriate professional.

## Safety Corner

### Prevent Hot Car Deaths

*One child lost is too many...*

The thought of a child dying in a hot vehicle is unimaginable for most parents and caregivers. However, since 1998, almost 900 children in the U.S. have died because of this completely preventable tragedy. Pediatric vehicular heatstroke is still the leading cause of non-crash motor vehicle-related fatality for children. The three most common circumstances include children being forgotten or unknowingly left by a caregiver (52.9%), children who have gained access to an unlocked vehicle (25.6%), and children being left knowingly (19.7%). Well-meaning caregivers may inadvertently place children in harm's way because most people don't understand vehicle heating dynamics, that is, how hot and how fast the temperature rises inside an enclosed vehicle.

It takes far less time than most of us realize. Regardless of the temperature outside, temperatures inside a vehicle increase by 19 degrees in the first 10 minutes on average. This happens on cloudy days, during every month of the year, and in every region. While May 1 marked the official National Heatstroke Prevention Day, this issue is not only a cause for concern during summer months or in "warm-weather" states. It can and has unintentionally happened to loving parents and caregivers. While remaining in an enclosed vehicle can be risky for anyone, children face greater risk because their bodies heat up three to five times faster than that of an adult.

This topic should concern everyone, even individuals without children of their own. If you live in a neighborhood with children, it is important to lock unattended vehicles so children cannot gain access. If you work with colleagues that have children, it is important to be attentive in parking lots at work and shopping locations. According to NoHeatstroke.org, about 24% of all pediatric vehicular heatstroke deaths have occurred at the caregivers' place of work.

### UPCOMING MEETING

*Call Before You Dig*
