

Springing in to Business

Get a jump on Spring
with some help from
the professionals at a

Business!

Greenleaf

Thomson's

Adventure

AWAITS

In your backyard or in your "backyard" Marietta Businesses have you covered!

Get your cabin fever down with a trip to Thomsons, Greenleaf, Hensler's Town and Country Market, Lisk Lawn Care or L.E. Huck & Sons for all your outdoor projects.

Start the season early and get your game on par at Marietta Country Club opening in March for the 102nd time (a proud Mariettan staple since 1920) or go a little further afield with some gear from Marietta Adventure Company and explore up and down the banks of the Muskingum and Ohio Rivers.

Celebrating 123 years in business this month is Stacy Family Farm, strawberry season isn't here yet but the Stacy Family doesn't quit! You can catch them with different produce from asparagus in April to shelled corn in November, keep an eye on their social media for all their updates.

While it's not quite summer yet Harbor Point Development is already gearing up for boating season, be sure to check them out for all your docking needs before you have fun in the sun! They always have something new happening!

Every Spring the Marietta Area Chamber of Commerce has our own adventure, planning and hosting our Annual Dinner. This year's dinner is March 7th 2022 so be sure to check out the April Entrepreneur for a recap of our event!

MOVSC March Update

When our bodies are exposed to cold conditions, the blood vessels in the skin and underlying tissues constrict. Our bodies try to increase heat production by shivering, and we are motivated to "keep moving" to try to stay warm. Working in cold conditions can have an adverse impact on human health. Take time to learn how to protect yourself if your job calls for working under these conditions.

Cold Weather Increased Risk Factors:

- Age
- Illness
- Fatigue
- Alcohol
- Wetness
- Inadequate clothing
- Medications

Harmful Effects:

- Frost bite
- General hypothermia
- Trench foot or immersion foot
- Blood flow problems

Control Measures:

- Increase heating with warming devices or shelters
 - Minimize air velocity
 - Reduce the length of exposure
 - Add layers of warm clothing
 - Increase surface insulation
- Increase uptake of warm, non-alcoholic liquids
 - Make sure to use the buddy system
- Educate workers who are exposed to cold conditions

PRESENTS: MEMBER MENTIONS

Marietta Country Club

The Marietta Country Club is 121 years old! Marietta Country Club has a rich history dating back to 1901 making the Club one of the oldest west of the Allegheny Mountains. Club Manager, Matthew Carey is from Wilmington, OH located in southwestern OH. He finished his athletic and academic career in the MOV, and after found himself wanting to stay in the area as he had grown to enjoy the beauty of Marietta, as well as the people of the MOV. Matt has been employed with MCC since 2015 and began full-time in 2018.

by scanning the QR
Code below!

MCC is on the lookout for enthusiastic employees! Seasonally the Marietta Country Club employs 20-25 people and what is Matt's HR Secret? He says, "be authentic, when your actions are aligned with your words, the basics become so fundamental. A good manager communicates the basics, encouraging others, while managing a group and holding all accountable to company values. Never be afraid to handle anything."

The Country Club is happy to host a variety of nonprofit golf scrambles and events. They have a variety of memberships to fit anyone looking for a place to socialize, play golf or swim in the summer. Matt says "We are excited to once again offer our Discover MCC membership to any new country club members! This membership allows you time in the pool, 5 rounds of golf, and dining privileges from March 15- June 15 for \$150."

When asked where he sees Marietta Country Club going Matt wanted everyone to know that the Country Club has continued to grow despite the ongoing pandemic. He let me know, we are happy to offer more opportunities for people to join MCC!
