Re: 41-61 Covert Avenue – Fire Restoration Update 05

43 – 61 Covert Avenue

The remaining debris cleanup has been delayed by the inclement weather we've received recently and will continue once the site is safe for working.

The property owner's architect will be presenting the plan for reconstruction to the Architectural Review Board at the meeting occurring this Wednesday, February 24th at 8:00 pm via Zoom. Details can be found on the Village website events page if you would like to join the meeting. <https://fpvillage.org/event-directory/>

41 Covert Avenue

The loss is still under review by the owner's insurance company therefore cleanup cannot commence until it is resolved.

Further updates will be shared once they have been confirmed.

Please feel free to contact the Building Department with any questions or concerns from 8:30am – 4:30pm Monday to Friday at 516.326.6319 or FPBuildings@fpvillage.org.

Renee Marcus, AIA
