Click here for information and resouces

The Macomb Area Chamber of Commerce continues to provide a dedicated website to provide local business operations, state and local information, and health notifications to assist you and the business community during the many phases of COVID-19. We will update this list as new information is available.

As we move within our respective Restore Illinois phase, area businesses will be able to remain open under specific circumstances. To help you and your business, the Chamber has compiled a resource page of Business Guidance for safely reopening during COVID-19. As guidelines change we will regularly update the information.

Please note, that we are not government experts, lawyers, or bankers; however, we will certainly do our best to connect you the vital resources that you need at this time. If there is anything missing, please let us know and we will see to it that you get the appropriate information. Thank you.

## Restore Illinois

As McDonough County moves about the various phases of the [Restore Illinois](#) plan, we invite you to visit the links below to keep up on the latest information and resources.

To assist businesses and employers with continuing to implement the safety guidelines and to ensure safety in the workplace, the State of Illinois - Illinois Department of Commerce and Economic Opportunity (DCEO) has developed a business toolkit complete with signage, training checklists, and other resources to ensure business and activities are conducted in accordance with the latest public health recommendations. Phase guidelines are broken down by industry and several of them may directly apply to your respective business or organization. These are intended to be a general set of rules and may need to be further personalized to fit your employees and work environment.

The DCEO has updated their website with the most current information available.

### **A move to Phase 5**

Dependent upon COVID cases and vaccinations, Illinois Governor Pritzker outlined plans for the next phase of Restore Illinois. Illinois will move into the bridge phase when seventy percent of the 65 and older population receives at least one dose of the vaccine. Then, the state will move into a 28 day monitoring period. "After a 28 day monitoring period in the bridge phase, and assuming no significant resurgence of covid-19 cases, hospitalizations and deaths, Illinois will resume normal business operations when at least fifty percent of our 16 and over population has received at least one dose," says Pritzker. In phase five, all capacity limits would be removed.

## Executive Director Letter

Hello Chamber Members,

Things have really picked up at the Chamber in the last month! Plans for The Chamber Golf Outing are being finalized and it feels good to be nearing the finish line. I am looking forward to actually seeing many of you this month and hope you are all ready to get out and about as well.

There is still plenty of time to register for the golf outing. If you're interested, you can register [HERE](#), or contact the Chamber and we can take care of it for you. We are also looking for a few more Green Sponsors for the golf outing, which you can register for at the same page or you can contact me.

I hope you have all started the process to become fully vaccinated. There continue to be regular vaccination clinics and it is easier than ever to get an appointment for your shot(s) at the McDonough County Health Department, Hy-Vee, Walgreens and Walmart. We are so close to Phase 5, but we still have a little farther to go! Please continue to wear your masks, practice social distancing and keep your spaces sanitized.

As always, contact me at any time by emailing [lauren@macombareachamber.com](mailto:lauren@macombareachamber.com) or calling the Chamber office at (309) 837-4855. I always welcome your questions, comments, and concerns.

Wishing you all a wonderful May,

Lauren

## Marketing Director Letter

Happy May.

I am writing this on Earth Day, when it is totally trendy to recycle so I am going to play along and reuse the same letter from last month! It's still good, so here it goes...

You all have a lot to read and a lot to do, so I'm going to keep this one short for you.

Put the 2021 Macomb Area Chamber Golf Outing on your calendar (May 28 - 9 am at Golf Hills). Register [here](#). Play if you like the sport; ride around in the cart and eat snacks if you don't; volunteer if you have the time; sponsor a hole if you have the means. We'd love to have your socially distanced, masked up faces join us in whatever manner suits you. That's it, that's the whole letter.

**MAY THE COURSE  
BE WITH YOU**

Per usual, if you need to reach me with any marketing or member needs, hit up [shay@macombareachamber.com](mailto:shay@macombareachamber.com) or call the office at (309) 837-4855. Let's make it a great month!

**FOR IMMEDIATE RELEASE**  
**FROM MACOMB SHARED COMMUNITY ACTION GROUP**

Macomb Shared Community Action Statement on D. Chauvin Verdict

Macomb, Illinois April 21, 2021 –

We are encouraged that our judicial system, which at times can be seen as broken, has delivered justice for George Floyd. Jurors were placed in a difficult situation and were able to listen to the testimony and deliver a verdict based on that evidence. The jury considered the facts and the law and found that Derick Chauvin acted in a criminal manner and he will be punished for his actions.

We know that George Floyd received justice today, but we know his family did not. We know that Black Lives DO Matter. We know, too, that people of color in Macomb may not believe their lives matter here; they may not believe their innate dignity is recognized; or they may not believe they are welcome members of the community. It is the collective job of the community to shatter these beliefs, to make sure that all community members know and believe how important each is to Macomb. Macomb's strength resides in its diversity. Who are we? We are supporters of Shared Community Action to Promote Communication and Cooperation (SCA), the joint effort of leaders of civic and religious organizations who came together early this year to discuss how they and their members could support the city's efforts to strengthen dialogue and cooperation among the diverse members of the Macomb community.

Organization leaders were invited to help create and maintain the kind of dialogue and interaction necessary to realize long-term cooperation and community-building and to help ensure that Macomb would be, for all its residents, the welcoming community it aspires to be. We have a lot of work to do, but the commitment of each of these representative organizations is one step toward realizing a diverse, welcoming community for all people. The group's underlying purpose is based on the Universal Declaration of Human Rights and "the recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family." More specifically, participants seek to strengthen dialogue and communication across our shared humanity, to develop ways individuals and organizations can contribute to an equitable and just, healthy and strong community, and to confront barriers that keep community members apart and, knowingly or unknowingly, undermine community building.

We are committed to working with everyone in Macomb who supports these goals, including our law enforcement officers, who in collaboration with the NAACP, have adopted the Ten Shared Principles (<https://www.ilchiefs.org/press-releasse-shared-principles>) and have been accredited by the Illinois Law Enforcement Accreditation Program

(<https://www.ilchiefs.org/ileap-illinois-law-enforcement-accreditation-program->). Both programs call for a clear commitment to fairness, cooperation, and equity. Such a commitment does not fall on one group alone. The entire community must assume this responsibility if Macomb is to realize its aspirations, to recognize the humanity of each of its residents, and to be its best self. We invite those interested in taking on the challenge of an ever-deepening commitment to justice and equity to become involved in the Shared Community Action Project or in another organization working to meet this challenge. To learn more about SCA, contact the Mayor's Office at 309/833-2558.
