NAHB PROFESSIONAL WOMEN IN BUILDING

The National Association of Home Builders Professional Women in Building Council is dedicated to promoting, enhancing, and supporting home building and women within the construction industry as well as the next generation of industry professionals. We do this by:

- Encouraging career development within the industry.
- Providing scholarships.
- Providing professional development resources.
- Providing recognition of member industry achievement.
- Providing resource information and support for members.
- Promoting and supporting community involvement.
