

AGCOK BLUEPRINT

Job Shadows!

We had our first job shadow of the Fall OKC semester this morning! Thanks to Lippert Brothers for hosting about 20 students at the Science Museum Planetarium remodel. Shane, Tom, Chris, and Seth with LBI did a great job. And David with Studio Architects shared knowledge on the design part. The students also visited with employees of Orcutt, Higgins, Kanske and Prime.

Its awesome to share the industry and our awesome projects with these high school students in a more one on one environment.

We are still looking for sites in Tulsa and OKC for this semester and next semester for more visits. Just let me know if you have one available. Our Júnior Achievement partners coordinate with our contractors to make these visits productive and educational. Thanks JA!

Doug

We Want You!

The Board is still seeking nominations for two At Large Director positions. We invite you to submit yourself, or a candidate who you believe has the vision, passion, and expertise to help shape the future of our association.

Here's how the process will work:

- Eligibility: Nominees must be current members of the Associated General Contractors of Oklahoma Building Chapter. At Large Directors

are selected from General Contractor or Specialty Contractor member companies.

- **Submission Deadline:** Nominations must be received by November 15, 2023. Please submit your nominations by using the following fillable (not fillable on mobile devices) form

BOARD NOMINATION FORM

- **Selection Process:** Once nominations are received, the Nominating Committee will review all candidates and select a slate of candidates to present to the Board for consideration and approval.

Serving on the Board of Directors is an important responsibility, and we encourage members to consider not only their own interests but also the greater good of our industry when nominating individuals. We are looking for individuals who can provide leadership, expertise, and a commitment to the goals and values of our association.

EXTRA! EXTRA!
