

NC 
TRUCKING
ASSOCIATION

ADVOCATE. PROMOTE. EDUCATE.

ADVOCATE. PROMOTE. EDUCATE.

Since 1929, the North Carolina Trucking Association (NCTA) has served as the voice of the trucking industry. The NCTA is the largest statewide trucking organization dedicated to promoting advocacy, safety, compliance and leadership. NCTA provides resources that advance long term, sustainable profitability for the trucking industry.

WHO SHOULD JOIN?

For-Hire Motor Carrier

A motor carrier hired for compensation, either directly or indirectly, for the transportation service provided.

Private Motor Carrier

Companies that produce, manufacture, and/or supply products that are non-commercial, transportation industry specific, and haul their products via their own fleet of trucks that are leased or owned by the company.

Allied

Companies (non-carriers) that produce, manufacture and/or supply products or services that are commercial transportation specific.

Shipper

A Shipper Member is an entity involved in or responsible for the coordination or procurement of transportation services as the owner or shipper of cargo.

ADVOCATE

Voice of the Industry

NCTA is the voice of the trucking industry, actively lobbying the North Carolina General Assembly and representing the industry as a voice to federal and state agencies.

Call on Washington

Each year members travel to Washington, DC to meet with elected officials and talk about the issues that are important to the industry.

Trucking Day at the State Capitol

NCTA members meet with members of the North Carolina General Assembly on Trucking Day.

Your Regulatory Advocate

In addition to the events above, NCTA also provides:

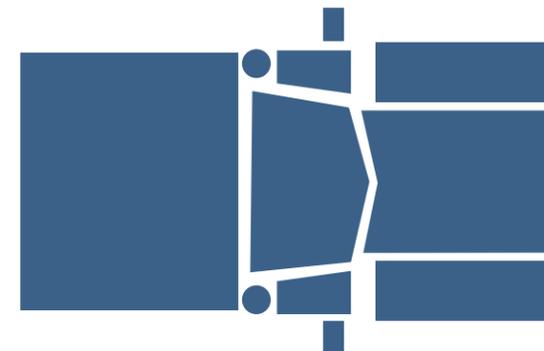

- Strong representation in legislation for state and federal regulatory issues
- Quarterly calls with the North Carolina State Highway Patrol and Department of Motor Vehicles
- FMCSA Update Meetings held across the state four times a year

We have a number of outreach opportunities including Wreaths Across America, Truckers Against Trafficking, Truck Driver Appreciation Week, the North Carolina Road Team Captains and more.

TRANSPORTING THE ESSENTIALS

85.6% of North Carolina communities depend exclusively on trucks to move their goods.*

PROMOTE

Receive e-newsletters and special alerts with information to assist with day-to-day operations.

The Bulletin

Weekly newsletters to members only with key information to assist with day-to-day operations, training events to help grow and retain a solid workforce, legislation impacting the industry and good news happening across the state.

Alerts

Regular traffic alerts, road closures, accident and weather-related information, providing up to the minute notifications for those traveling the roads.

Tarheel Wheels

We share the official magazine of the North Carolina Trucking Association with a circulation of over 8,000 magazines.

Social Media

New Member Introductions

Receive alerts as soon as a new member joins so that you can network.

EDUCATE

NCTA offers training, seminars, and certifications to meet the needs of company operations, technicians, and drivers by providing industry-relevant training and educational opportunities regarding every aspect of running a trucking company.

- NCTA Seminars deliver trucking compliance & safety training
- NATMI Training classes and Certifications
- NCTA Webinar Series

ANNUAL EVENTS

NCTA Annual Management Conference

The Conference offers educational, thought provoking topics and inspiring keynote speakers, providing knowledge about the latest developments in the industry.

NCTA Annual Councils Conference

The Conference features an exhibit hall, general sessions and breakouts. The Safety, Human Resources and Technology and Maintenance Professionals of the Year, along with Drivers of the Month and Driver of the Year are recognized at this Conference.

NC Trucking Driving Championship

Drivers who are NCTA motor carrier members compete in a written test, skills course and pre-trip. The best of the best drivers go on to compete at a national level.

NC Top Tech Challenge

NCTA member technicians and community college technician students participate in this event. Winners compete at the national competition.

NC Call on Washington

Annually, NCTA members travel to Washington, DC to meet with elected officials.

Trucking Day at the State Capitol

NCTA members meet with members of the North Carolina General Assembly on Trucking Day.

NCTA Women in Trucking Council Summit

A day and a half event providing peer to peer networking, education, career building/coaching, and keynote speakers advocating for women in trucking and transportation.

There is nothing like being in a room of like-minded people.

NCTA COUNCILS

The Councils provide members the opportunity to become more involved in the industry, interact with other industry professionals, share "best practices" and opportunities to partner with state, federal and enforcement agencies. NCTA encourages all of its members to have at least one active member in each council.

NCTA Safety & Human Resources Council

The Council was created to provide safety and professionalism in the trucking industry. The Safety & Human Resources Council oversees and operates a number of recognition programs that promote highway safety.

NCTA Technology & Maintenance Council

The Council serves the interests of its members through maintenance and technician education, workshops, seminars and best practices through the collaboration of motor carrier and allied members to achieve the highest levels of knowledge and efficiency in the trucking industry.

NCTA Women in Trucking Council

The Council's mission is to advocate, educate, and empower women in the trucking industry by promoting a culture of professional growth, acknowledging accomplishments, minimizing obstacles, and creating awareness of diverse opportunities.
