# Lewis & Clark Lake Area

- A. Chalk Bluffs Multi-Use Trail** - 4.1 miles, crushed asphalt surface, varied grade including moderate to fairly steep inclines. Great for equestrian riders, hikers and mountain bikers.
- B. Gavins Point Nature Trail** - 1.2 miles, hiking trail, natural wood chip and dirt surface.
- C. Lewis and Clark Lake Trail** - 6.9 miles, including loops, 8 ft wide asphalt, flat grade. This scenic trail winds from the Pierson Ranch Recreation Area and throughout the Lewis and Clark Recreation Area.
- D. Toe Road and Training Dike Trail** - 2.5 miles, on-road and off-road paved, flat grade. The on-road portion travels from the Lewis and Clark Lake Trail, past Pierson Ranch and Cottonwood Campgrounds. Part is off-road and becomes a 10' wide asphalt path that heads down to the shores of Lake Yankton.
- E. Highway 52 Trail** - 3.14 miles, 8' wide asphalt, flat with one moderate incline exceeding five percent.
- F. Majestic Bluffs Trail** - .5 miles, 10' wide concrete, flat grade.
- G. Chief White Crane Trail** - 2.4 miles, 9' wide crushed asphalt surface, flat grade. This trail connects with Deer Boulevard Trail and the Gavins Point National Fish Hatchery.

- H. Calumet Bluff Trail** - .9 miles, 8' wide primitive dirt surface, varied grade with some steep inclines. This trail, which is located next to the Crofton Golf Course on Highway 121, is an out and back trail, meaning hikers will have to backtrack to the starting point making the total hike 1.8 miles.
- I. South Shore Trail** - 3.5 miles, 10' wide primitive dirt surface, varied grade with moderate inclines. Great for equestrian riders, hikers and mountain bikers.
- J. Miller Creek Trail** - .75 miles, 10' wide primitive dirt surface, varied grade to moderate inclines. This nature hiking trail located in the Miller Creek area of the Nebraska Lewis and Clark Recreation Area.
- K. Arboretum Trail** - 1.4 miles, 8' wide asphalt, flat grade on north half, incline on south half.
- L. Auld-Brokaw Trail** - 2.75 miles, 10' wide concrete (Trailhead near Yankton Thrive Welcome Center to Summit Street), moderate grade with a few slopes exceeding five percent. The Auld-Brokaw Trail parallels Marne Creek through the heart of Yankton.

- M. Fantle Memorial Park Trail** - 1 mile around perimeter of park with additional interior trails, perimeter is 6' wide concrete, interior trails are 8' wide asphalt, flat grade.
- N. Westside Park to West City Limits Road Trail** - .75 miles, 8' wide asphalt, flat grade.
- O. Trailhead to Riverside Park Trail** - 1.5 miles, 10' wide concrete from Trailhead near Yankton Thrive Welcome Center to Riverside Park and 8' wide asphalt in park, flat grade.
- P. Trailhead to Paddlewheel Point Trail** - .4 miles, 10' wide concrete, flat grade. The Trailhead is located west of the Yankton Thrive Welcome Center at 803 E. 4th St.
- Q. Yankton Primitive Hiking Trail** - This is short, low maintenance trail beginning on the south side of the Meridian Bridge. It gives you beautiful, secluded views of the river, the Meridian Bridge and the City of Yankton.
- R. James River Trail** - 4.3 miles, 5' wide, paved only one mile and flat from Rotary Park along East 7th Street, Highway 50, Ferdig Avenue and East 8th Street. The primitive and scenic trail continues from East 8th Street out to the James River and has various grades, including moderate to fairly steep inclines.

- S. Marne Creek West Trail** - .75 miles, it is a 10' wide soft-surface trail that connects 23rd street to the Marne Creek West Greenway which is home to the community garden and the City's dog park. The trail does have a moderately steep elevation change.
- T. Meridian Bridge Trail** - .5 miles each level, 12' concrete, no slope on lower level, steep slope on upper level entry ramps. This trail is the historic double-deck Meridian Bridge, which had its dedication ceremony on October 11, 1924. The bridge spans the Missouri National Recreational River, which is a National Park.
- U. Deer Boulevard Trail** - .4 miles, 10' wide, crushed asphalt surface, flat grade. This trail connects with Chief White Crane and Lewis and Clark Lake Trail.
- V. Nebraska Primitive Trail** - 1 mile, 8' wide primitive dirt surface, mostly flat grade with a few steep inclines. This hiking/biking trail is located on the south side of the Meridian Bridge (parking adjacent). Signage will guide you to the trail access points.
- W. Nebraska Meridian Trail** - 1.2 miles, 10' wide asphalt, flat to moderate grades. This begins east of Gavins Point Dam and runs along the Missouri River and Highway 121 to Murdo's Restaurant in Aten.
