CORPORATE COLLEGE

Science Behind Our Lightning-Quick Judgements

■ Tuesday, Feb 16, 8:30 - 10:30 am via Zoom
For personal safety, the caveman had to make instant decisions: Is the other like me or not like me? Is it relationship or run? Fight or flight? While such quick judgments aren't required today, we still have deep assumptions that can manifest in behavior. Even if you don't think you hold certain biases, your unconscious can be in the driver's seat.

Rebecca Martin
Webinar Host.

Attend this workshop to explore and understand your reflexive preferences through assessment tools and peer discussions. Individual workshop fee is \$29. Register and pay online at: CF.edu/CorporateCollege or call 352-873-5855. No refunds will be granted five (5) business days prior to each workshop.
