THE WILDFLOWER MARKETPLACE

11729 Anthony Highway, Waynesboro, PA 17268 | 240.310.4263
shopwildflower.com | info@shopwildflower.com

The Wildflower Marketplace is a uniquely restored barn located north of the borough of Waynesboro, Pa. Its purpose is to showcase the variety of curated and handmade items from each of our vendors, who, just like wildflowers, bring their own style and beauty to the shop. The 6,000-square-foot space is filled with nooks and crannies to browse on three different levels plus four outdoor sheds that have their own unique style and inventory.

While the shop has been open since 2015, new owners, Brian and Linda Gayman, have taken the reins since November 2021. New signs have recently been installed to replace the former signs that were quickly wearing out. A Customer Loyalty Program has been created to reward its customers for supporting its family of vendors. An event or sale is planned for each month of the year.

There are plans to update a few areas of the lower level (the original shop space before adding the upper level) as well as add workshops

and classes. The Gaymans said they are excited about the opportunities to invite groups in for special events and bus trips in the future.

The Wildflower Marketplace is open Thursdays noon - 5 p.m. and Fridays and Saturdays 10 a.m. - 5 p.m. You can keep up-to-date with the happenings in the shop by following its Facebook page at Facebook.com/TheWildflowerMarketplace or by visiting the website at ShopWildflower.com and joining the email list.

Congratulations

to the chamber members who received a dividend.

Those members know it pays to place their business insurance with the ChamberPlus program — one of the great benefits of your chamber membership. By purchasing their insurance through Penn National Insurance, participating members recently received a check in the amount of 12% of their total premium.

Program Features

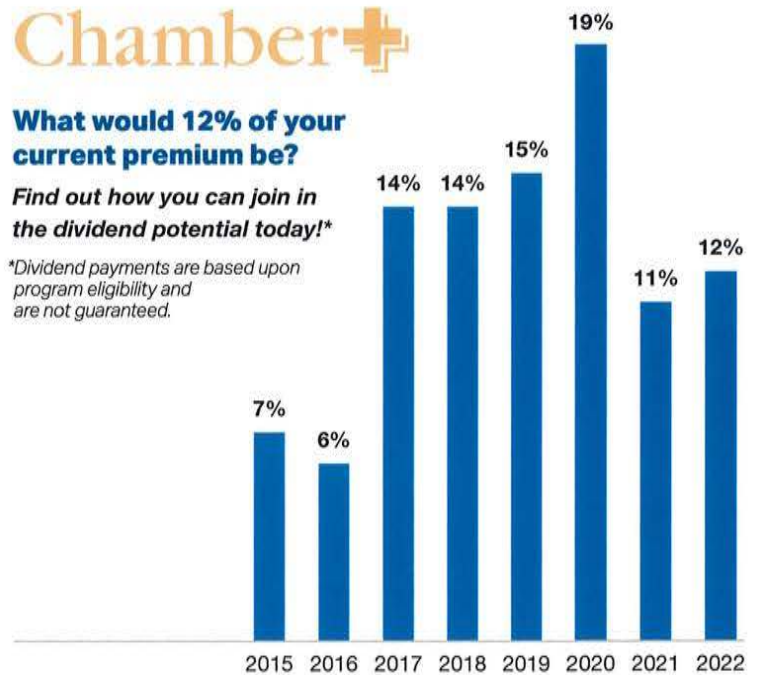

- ▶ All-lines dividend (excluding umbrella and bonds). Dividend payments are based on total group program premium and claims experience of eligible lines. As program grows, so does dividend potential.
- ▶ Enhanced coverages on auto, businessowners, property, workers' compensation, and general liability — giving you added protection at no additional cost
- ▶ Information and services to help reduce losses — the payoff is greater dividend potential

Chamber+

What would 12% of your current premium be?

*Find out how you can join in the dividend potential today!**

*Dividend payments are based upon program eligibility and are not guaranteed.

Funds raised this year will benefit our new Pashto language children's radio program in Afghanistan.

The Participants

This event is designed for families, friends, and small or large groups to participate in making an eternal impact in the lives of millions around the world. No matter your location, whether Chambersburg, PA, North America, or somewhere around the world, you can make a difference from right where you are!

The Challenge

This challenge is to run, walk, bike, swim, paddle, or however else you want to participate to get to the finish line. The goal is 13 miles, one mile for each thousand dollars it takes to fully fund the project.

This may sound like a lot . . . BUT WAIT!

Life doesn't come easy for many Afghans, so we invite you to accept this challenge that may not come easy to you.

Because this is a challenge, and not a traditional race, you are able to break it up over the 16-day period. Doing as little as 1-mile per day will allow you to complete the challenge in the allotted time. Here are some suggestions of ways you may choose to participate:

- Find a track to run/walk (4 laps = 1 mile)
- Find a park with trails nearby
- Go shopping and track your distance for the trip
- Play a round or two of golf and track your steps for the day
- Swim laps in a pool
(Olympic pool = 16.1 laps/mile or standard pool = 32.2 laps/mile)
