PRESIDENT'S MESSAGE

There has never been a more important time than now for our community and our local businesses to come together. These past few months have created unprecedented challenges for our family of Chamber members and all those who are a part of Chambersburg's local economy. As we move through the summer months and the remainder of this year, we must renew our efforts to support local businesses striving to regain their footing.

It's been convenient (and sometimes necessary) over the last few months to take advantage of Amazon and other online companies for our needs; most major national retailers have been able to remain open to fulfill necessities. As the restrictions are lifted allowing us to return to a more normal routine of business activities, we are all responsible to return to "buying local" as well.

For many of our locally-owned businesses and Chamber members, these past months have been a major struggle. The next few months are going to be crucial to their survival, and they're counting on us to support them. Get out your Chamber directory or go onto Chambersburg.org and find local businesses to fulfill all your desired products and services. As some members of our business community are fighting to recover, make a special effort to patronize your fellow Chamber members.

Throughout this crisis I have seen our community come together in ways that inspire my confidence and optimism. We can enable each other to survive and thrive, simply by reinforcing our continued efforts to stand behind one another. Let's put this struggle behind us and move forward stronger than ever.

Kind regards,

Stephen Christian

Chamber Awarded 5-Stars by U.S. Chamber

The Greater Chambersburg Chamber of Commerce was recently awarded a 5-Star Accreditation by the United States Chamber of Commerce – a national honor recognizing the elite status of its membership, staff and organization as a whole.

The rigorous, six-month application process required the Chambersburg Chamber to review its policies and procedures in eight areas including finance, human resources, program development, technology, government affairs, communications, facilities and benchmarking. The U.S. Chamber board reviewed the application and found its sound policies, effective organizational procedures and positive impact on the community to be worthy of this recognition.

“We are incredibly grateful for the hard work and support of our membership, Accreditation Committee and Chamber team; attaining this honor would not have been possible without the business community,” said Stephen Christian, president of the Chambersburg Chamber. “As a result of our continuing effort to serve the greater Chambersburg area, we are proud to have been awarded the U.S. Chamber’s highest level of achievement for the second consecutive time.”

Of the 7,000 chambers of commerce in the U.S., only 128 hold the 5-star Accreditation distinction, which places the Chambersburg Chamber in the top one percent nationwide.

“Accreditation validates a chamber as having programs that benefit its local economy and positively influence its community,” said Raymond P. Towle, IOM, CAE, U.S. Chamber vice president of Federation Relations and Institute for Organization Management. “We applaud these organizations for advancing the principles of free enterprise.”

Accreditation is the only national program that recognizes chambers for their effective organizational procedures and community involvement. Local chambers are rated Accredited, 3-Stars, 4-Stars, or 5-Stars. The final determination is made by the Accrediting Board, a committee of U.S. Chamber board members.

The Chambersburg Chamber is committed to helping its members prosper and supporting its community.

Flexible Financing Opportunities

The Community Development Corporation (CDC) of Franklin County is an affiliate of the Greater Chambersburg Chamber of Commerce. Since 1994, CDC has been bridging the gap between dreams and reality. CDC is designed to promote, develop and improve the housing,

small business and economic conditions in Franklin County. CDC can provide a flexible source of funding for projects in the community as a supplement to financing from banks and other existing financing programs. For more information, contact Maryliz Toohig, Executive Director of CDC at 717-264-7101 x 209 or mtoohig@chambersburg.org.

Scoop-a-Palooza Ice Cream Trail

Now in its 11th year, Scoop-a-Palooza has traditionally been held at **Chambersburg Area Senior High School** in July with over 1,700 people attending in 2019. Due to the COVID crisis, 2020 Scoop will take on a new and exciting month-long journey during July - National Ice Cream Month.

The event will promote safe, family fun and support local business while raising funds for the Greater Chambersburg Chamber Foundation. Presented by **ACNB Bank**, 2020 Scoop features a Scoop Ice Cream Trail with over 20 participating regional ice cream stops, \$1,500+ in prizes, a Scoop Kids Virtual Coloring Contest sponsored by **Orrstown Bank** and a LIVE Celebrity Sundae event via Facebook on July 19, National Ice Cream Day, sponsored by **Volvo Construction Equipment**. Special thanks to **Patriot Federal Credit Union, Starr Insurance** and **Superior Floor Coverings & Kitchens** for sponsoring.

Ice cream lovers can visit as many of the locations on the trail map as they choose. Find the unique 'Scoop Word' at each location and either post a photo of your ice cream on the Scoop Facebook page or mail in your Scoop map at the end of the month to enter a prize drawing. The Scoop Kids Coloring pages are being created by our local artists at **The Foundry Artist Co-op**, who will also be judging submissions from children 3-12 years old.

Grand Sponsor:

The Scoop Committee worked quickly to reimagine 2020 Scoop, and we are overwhelmed by the positive response from our sponsors and area vendors. The Scoop Trail map is available at ScoopaPalooza.org or follow Facebook.com/Scoop-a-Palooza. For more information on sponsorships contact gharriger@chambersburg.org

LFC COMMUNITY ACCEPTING SERVICE PROJECT PROPOSALS

Non-profit organizations who need volunteer help on a project may apply for assistance from the Leadership Franklin County (LFC) Community class for the 2020-2021 program year. Part of the LFC Community experience is the completion of a service project. This enhances teamwork skills while giving back to the community.

Proposals must meet the following criteria:

- The project must have a definable goal that can be achieved in less than nine months (October 2020 to May 2021).
- Proposed project may not include soliciting donations, including sponsorships, prizes, etc.
- The Request for Project must be formally approved by the applying organization's Board of Directors or Steering/Guiding Committee as appropriate.
- The organization must have a single contact who will provide background, materials and support for team members.

If your organization would like to submit a request for a project team, please complete a Request for Project application, available online at Chambersburg.org/Leadership under the LFC Community section.

Applications must be submitted no later than August 10, 2020. The LFC Community Steering Committee will inform organizations by September 1 if their proposal will be forwarded to LFC students for consideration. If so, the contact person will be required to make a 10-minute presentation to the Class of 2021 on September 19 when project groups will make their selection. For more information, contact Ginny Harriger at 717-264-7101 ext. 205 or gharriger@chambersburg.org.

DOWNTOWN CONDUCTS SURVEY SERIES

Downtown Chambersburg Inc. has begun conducting a series of surveys regarding the Main Street business environment and downtown. The first round asked participants to rate downtown in five major categories such as appearance and economic issues. Of the 1,108 participants, the results were mostly positive. Accessibility and pedestrian safety were among downtown's strengths, while evening activities and gathering places were identified as major challenges.

According to the PA Downtown Center's evaluation of the respondents, the results indicate a community that may be in transition that needs to continue its revitalization and strategic planning. "The surveys are intended to give us input to what the community identified as positive and negative factors," said DCI president Sam Thrush. "They will give us an idea of where we are and where we need to go from here," he added.

The surveys mark the start of DCI's path to obtaining Pennsylvania's Keystone Community Designation, which gives downtowns free technical training and prioritization for Keystone Community grants, grants-to-loans and eligibility for Neighborhood Assistance Program Enterprise Zone tax credits. DCI next intends to convene committees to review drafted goals, objectives and action items for a five-year strategic plan. Community members are invited to participate in the second round of surveys by visiting DowntownChambersburgPa.com/Keystone.

DOWNTOWN MURAL PROJECT

Coming soon: the Downtown Mural Project is back for another year! Thanks to a partnership with Downtown Chambersburg Inc. and **Council for the Arts**, community members will be able to decorate two-by-four-foot plywood canvases to be hung on downtown buildings. Limit of 30 canvases available in early July. Check Facebook.com/DowntownCburg for information on obtaining canvases. The murals will be hung in early fall 2020.

B2B BONUS BUCKS PROGRAM

Is your business searching for a way to directly support other businesses and strengthen the economy? Introducing the B2B Bonus Bucks program – a way to buy local that allows merchants to receive double the cash!

Here's how it works:

1. An organization interested in supporting the business community **purchases Chamber dollars** (in \$10 and \$25 increments), at a 50% markup. For example, a business purchasing \$500 of Chamber dollars certificates would pay \$1,000.
2. The **donor business** will receive the \$500 in Chamber dollars, each marked with a "B2B Bonus Bucks" stamp, to **give away at their discretion**. Suggestions include providing a gift with purchase for customers, doing a social media giveaway or giving gifts to employees.
3. The **customer** who receives the certificate can **spend it, just like cash**, at participating businesses listed at Chambersburg.org/ChamberDollars.
4. The **participating merchant** where it is spent will make a copy of the certificate to turn in to the Chamber and receive a check for its value. Then, they will simply deposit the original in their bank after designating it "For Deposit Only." In this way, the participating business will **receive the value of the certificate TWICE**. For example, if a \$25 certificate is spent on products or services, the business will receive \$50 in return.

Special thanks to **Shively Motors, Inc.** for their initial support and donation to this program. If you're interested in participating, please contact Jordan Nace at jnace@chambersburg.org.
